

MENTAL HEALTH SERVICES FOR YOUNG PEOPLE IN WESTERN AUSTRALIA

EMERGENCY CHILD AND ADOLESCENT MENTAL HEALTH SERVICES

- **Hospital Emergency Departments (ED):**
 - In the Perth metropolitan area, children under 16yrs can present to PMH ED. Young adults (16 plus) can present to the hospital EDs in their area.
 - In regional areas, people of any age can attend their area's hospital ED.
- **Acute Response Team (ART) This service can be access through metropolitan emergency departments**

Commenced operation 5 November 2012. Metropolitan-based service which operates 24 hours per day, 7 days per week and conducts mental health assessments in emergency departments and other community settings.
- **Acute Community Intervention Team (ACIT) Referrals to ACIT are via emergency departments or CAMHS**

Commenced operation in 2008, operates weekdays during business hours within the metropolitan area. Provides a rapid, short term intervention in which assessment takes place and assistance is provided to the young person and their family until difficulties stabilise and care can be passed to appropriate community-based professionals.

EMERGENCY MENTAL HEALTH SERVICES

- **Rurallink – 1800 552 002**

Rurallink is an after-hours extension of local country mental health services providing easy telephone access to experienced community mental health staff, with a focus on supporting people with mental health issues. The service provides an after-hours contact point for new and existing clients, carers, other community members, health professionals, and community and welfare services within regional areas.
- **Mental Health Emergency Response Line (MHERL) - 1300 555 788**

Staffed by mental health professionals, the 24 hour mental health call centre will provide expert and accurate telephone response to acute mental health issues. All callers will be triaged and referred to the most appropriate acute response team according to the level of clinical priority. This service operates within the metropolitan area.
- **Community (Crisis) Assessment and Treatment Teams – Metropolitan after hours integrated extension of crisis and emergency mental health services in the community which is responsive and accessible for people experiencing a mental health crisis or emergency.**

In the South Metropolitan area, CATT works in 4 Teams which cover the catchments of Armadale, Bentley, Fremantle and Rockingham and Peel. In the North Metropolitan area, the ATTs work in 4 teams based at Stirling, Swan, Perth City and Joondalup. The afternoon duty shift is supplemented with an overnight on-call shift for the area. These teams can be accessed via MHERL (1300 555 788).

- **Sexual Assault Resource Centre – 1800 199 888**
SARC provides counselling to people who have been sexually assaulted or sexually abused. You can choose to see a female or male counsellor. The counsellor will focus on your feelings and your reactions and together with you will explore strategies to help you to heal and feel in control of your life.

GENERAL PRACTITIONER SERVICES

General practitioners (GPs) are the foundation of primary care. It is the first point of health care delivered to people outside of hospitals. GPs are medical experts, trained to deal with all types of problems including mental illness.

- **State-wide Youth-Friendly GPs**
(GPs who have undertaken specific Youth Friendly GP training by the AMA)
<http://www.amawa.com.au/IntheCommunity/ListofYouthFriendlyDoctors.aspx>
- **Fremantle Medicare Local – GP4YP (General Practice for Young People)**
GP4YP is a youth friendly, free, confidential medical practice for young people. The practice focuses on health issues specific to young people, including physical health, mental health, alcohol and other drug use, sexual health and relationship issues. The aims of the service are to provide non-judgmental, easily accessible consultations. Clients are offered long appointment times so that the GPs can get to know the young person and fully understand their issues
<http://www.fremantlemedicarelocal.com.au/community/healthy-bodies/gp4yp>
- **Mobile GP:**
Mobile GP uses an innovative model to provide healthcare to homeless and marginalised people in the metropolitan area. Mobile GP works in collaboration with the social welfare, mental health and drug rehabilitation agencies. "Youth by Mobile GP" aims to deal with the issues confronting homeless youth and hopefully assist them to get out of the cycle of homelessness before it becomes a long term issue for them.
<http://www.mobilegp.org.au/index.htm>
- **Street Doctor:**
StreetDoctor is a mobile, easily accessible, confidential, non-judgmental and non-discriminatory bulk-billing primary health care service. The service employs a multidisciplinary team of GPs, Registered Nurses and Outreach Workers, with the aim of improving health outcomes and reduces hospitalisation for disadvantaged people of all ages and from all areas.
 - Perth Central and East Metro: <http://ppcn.org.au/street-doctor>
 - Fremantle: <http://www.fremantlemedicarelocal.com.au/health-care-professionals/services/freo-street-doctor>
- **GP Helpline – 1800 022 222**
People who require after hours medical advice, who cannot access their usual GP and are not sure what they should do, can speak to a GP over the telephone, when necessary. The GP Helpline is a national service which operates 24/7.

PRIVATE PSYCHIATRIC SERVICES

Young people and their families are able to be referred by their GP to private psychiatrists and clinical psychologists through Access to Allied Psychological Services (ATAPS).

SCHOOL PSYCHOLOGISTS

There are more than 300 school psychologists working in Western Australia's public and non-government school system. Parents and students are able to engage with these services directly through their school.

- **Specialist Statewide Aboriginal Mental Health Services: (08) 9347 6600**

A dedicated state-wide Aboriginal mental health service providing comprehensive treatment for Aboriginal people with a serious mental illness. The State-wide Specialist Aboriginal Mental Health Service (SSAMHS) operates with cultural integrity and provide a 'whole of family' approach to service delivery regardless of location within Western Australia. This service supports Aboriginal people to access mainstream mental health services and increase the capacity of these services to better meet the needs of Aboriginal people.

SPECIALIST YOUTH MENTAL HEALTH SERVICES

Youthlink and YouthReach South: 1300 362 569

YouthReach South and Youthlink provide free and confidential counselling and support services to at-risk and marginalised young people who are:

- 13-24 Years
- Have a serious mental health disorder and/or complex psychosocial issues
- Unwilling or unable to access other mental health or counselling services due to barriers such as transience or homelessness
- Limited support and isolation
- Significant difficulty in engaging with services
- Agree to a referral

Using a person-centred approach, services provide assessment, counselling and case-management with a focus on engagement and assertive follow-up. Both services have the capacity to offer outreach where appropriate.

Youth Axis: 1300 362 569

To commence in early 2013, this new service will deliver comprehensive assessment and first phase treatment to young people (16-24) with complex presentations primarily associated with ultra-high risk psychosis or emerging personality disorder. The Youth Axis service will complement existing mental health services for young people.
