This approach will ensure that the collection, acquisitions and awards include contemporary art and art demonstrating local content and context.

Management and Acquisition

The City's Arts Management Strategy will determine the long-term management, acquisition plan, display, valuation and sale of the collection. The City's Arts Officer will consider all offers of gifts, donations and bequests and advise the City on the suitability and acceptability of the artwork as part of the Art Collection.

Acquisitions over \$7,500

The Art Collection and Advisory Committee is to comprise five (5) Elected Members and the Chief Executive Officer will have delegated authority from the Council to acquire art works over \$7,500, within the available adopted budget funds.

Archive & Memorabilia Collection

The City's archive and memorabilia collection is a repository for unique and significant resources relating to the natural and man-modified environment within and around Joondalup. The collection is a regional resource that contains many items which are jointly owned by the Cities of Joondalup and Wanneroo and which were acquired before the present local governments were formed in 1999. The City of Joondalup has subsequently added to this collection itself. The function of the collection is to allow interpretation of a regional resource to promote education, enjoyment and community participation.
