### TRAVELSMART GUIDE TO YELLAGONGA REGIONAL PARK

**FEATURES AND FACILITIES**

Yellagonga Regional Park was named in 1990, in order to give recognition to the importance of the wetland ecosystem and European settlement.

Yellagonga Regional Park is an ideal place for leisure and recreation and is easily accessible by walking, cycling and public transport. The Park is approximately 13km long and 1-1.5km wide, covering 1400 hectares. The Park incorporates wetlands, manicured parklands, and mature woodland areas in a naturally, culturally, and recreationally significant setting. Yellagonga houses a chain of wetlands including Lake Joondalup, Beenyup and Walluburnup Swamps, Lake Goollelal and the surrounding parkland areas.

The Park incorporates walking, riding and cycling trails, and dedicated walking paths. The Park also provides an ample venue for many local community events. A range of local bus services stop in close proximity to the Park, as well as the CAT service.

WALKING AND CYCLING ROUTES

Yellagonga Regional Park offers many picturesque walks and cycling routes. Adults need physical activity like cycling and walking for at least 30 minutes per day on most days of the week for good health.

WALK CYCLE 1 FROM JOONDALUP DRIVE TO VIEWING PLATFORM

Distance: 2.5km one-way and 5.0km return (Easy one hour round trip)

Follow the shared path south from Joondalup Dr, passing through magnificent stands of Tuart, Jarrah and Marri trees. The walk concludes at the Viewing Platform, an elevated area which provides fantastic lake vistas.

WALK CYCLE 2 BEENYUP SWAMP CIRCUIT

Distance: 2.4km loop (30 minute stroll)

Start at the northern entry point to the Park off Woodlake Dr and take the limestone path over the boardwalk amongst Flooded Gum and Freshwater Paperbarks. Continue along the limestone path over the bridge and veer left. Turn left at the shared path and continue along for 800m where you veer left onto the limestone path and continue back to Woodlake Dr and your starting point.

WALK CYCLE 3 LAKE GOOLLELAL CIRCUIT

Distance: 4.8km loop (1 hour walk)

Starting at Reverend John Smithies Park, follow the shared path south along Woodlake Retreat and enter the Park. Continue to Hepburn Ave and turn right. Continue along Hepburn Ave for 300m and then turn right into the Park. Follow the path north as it takes you through stands of Marri trees, Freshwater Paperbarks and Bull Banksias. You will pass the dazzling blue Splendid Fairy Wrens and the majestic Carnaby’s Cockatoos which can be found inhabiting these trees, and a variety of waterbirds on Lake Joondalup including Musk Ducks, Black Swans, Pelicans, Moorhens and Blue Billed Ducks.

WALK CYCLE 4 SCENIC DRIVE ROUTE

Distance: ~18.2km return (one hour ride or a 2.5-3 hour walk)

Begin where the shared path at Ocean Reef Road runs adjacent to the Park boundary. Head east along this path and turn left to enter the Park. Continue along the shared path through Scenic Drive Path, Rotary Park, Lake Joondalup Park and Yellagonga Regional Park. Turn around at the Botanic Golf and retrace your journey to Ocean Reef Rd.

WALK CYCLE 5 NEIL HAWKINS PARK TO OCEAN REEF RD AND RETURN

Distance: 8.9km (30 minute leisurely ride or a 1.5 to 2 hour walk)

Start at Neil Hawkins Park where at the jetty you may spot long-necked fresh water turtles. Cycle south from Neil Hawkins Park on the shared path - watch for the dazzling blue Splendid Fairy Wrens and the majestic Carnaby’s Cockatoos which can be found inhabiting these trees, and a variety of waterbirds on Lake Joondalup including Musk Ducks, Black Swans, Pelicans, Moorhens and Blue Billed Ducks. After 2.5km, you will arrive at Picnic Cove Park which offers picnic shelters, barbeques and play equipment. Continue to cycle a further 1.9km to Ocean Reef Rd before turning around to return to Neil Hawkins Park.
