## City Policy

### Responsible Directorate: Corporate Services

**Objective:** To guide the delivery of a contemporary visual arts program that supports quality cultural opportunities for the local community, recognising the value of culture in our society as a driving force for change, innovation, vibrant communities, a strong sense of place, the economy and tourism.

#### 1. Definitions:

~~“contemporary art” means an artwork that is conceptually resolved and is reflective of the artist’s current practice. It is not based on style, subject matter, medium or artistic approach.~~  
~~means an artwork that is conceptually resolved and is reflective of the artist’s current practice. It is not based on style, subject matter, medium or artistic approach.~~

“Contemporary art” is a movement that belongs to the present and relates to the time and place in which it is produced. Its artforms speak to our experiences of today. As an examination and reflection of present-day life, contemporary art may provide multi-faceted interpretations and diverse perspectives, whilst reflecting the culture in which it is made and offer social and cultural commentary.

Contemporary art is also defined by new methods and platforms for creating and experiencing art. Contemporary artists may respond to new conditions and contexts and produce innovative combinations of traditional and contemporary mediums. Contemporary art may offer a sign of something new, innovative or distinct from previous artforms or art-making practices and challenge us to understand and engage in our world.

#### 2. Statement:

With the anticipated growth and development of the City Centre, it is considered a priority for the City to cultivate a modern, urban and culturally-enriched environment with a quality, contemporary visual arts program.

The City supports the implementation of this program with a focus on:

- a. Developing a high quality contemporary visual art collection for the enrichment of residents and the broader community.

- b. Enhancing the reputation of the City as a modern, vibrant, and culturally enriched environment with global ambitions for residents and visitors.
- c. Supporting Western Australian artists and the local arts industry.
- d. Enhancing the City's historical records through commissioning artworks that reflect and capture ~~local flora, fauna and iconic landmarks of the City.~~ local flora, fauna and iconic landmarks of the City, the social, urban, cultural or natural attributes of the City of Joondalup.
- ~~e.~~ Pursuing national and international programming opportunities that benefit the City's Australian and global profile and contribute to the life of this region.
- ~~f.~~ Providing opportunities to educate the City's residents through participation and access to contemporary visual art and the City's Art Collection.
