Service	06/07	07/08	08/09	09/10	2010/11	Comments on 2010/11 Survey	Planned or proposed improvement actions for 2010/11 as a result of the 2009/10 Survey	2010/11 Action Achieved	Planned or proposed actions for 2011/12 as a result of the 2010/11 Survey
<b>Overall Satisfaction</b>	<b>86.1</b>	<b>81.9</b>	<b>83.1</b>	<b>82.6</b>	<b>84.1</b>	Overall satisfaction rates remain high.	Continue to improve service delivery and customer service to maintain high overall satisfaction levels.	A range of improvements to services implemented – increase in overall satisfaction rates indicate that these improvements have been received positively.	Continue to improve service delivery and customer service to maintain high overall satisfaction levels.
<b>Satisfaction with services provided</b>	<b>Not measured</b>	<b>Not measured</b>	<b>89.8</b>	<b>89.2</b>	<b>92</b>	Satisfaction with City services remains high.	Continue to improve service delivery based on customer feedback to specific services.	Increases to service delivery, particularly in the area of graffiti management, has resulted in substantial improvements in satisfaction ratings.	Continue to improve service delivery based on customer feedback to specific services.
<b>Value for Money from Rates</b>	<b>67.3</b>	<b>67.5</b>	<b>62.3</b>	<b>63.4</b>	<b>66</b>	Slight increase from previous year.  Value for money from rates continues to be a priority.	Improvements to specific services should impact on satisfaction with value for money from rates. Two in three ratepayers are satisfied with value for money from rates.	Satisfaction ratings remain reasonably strong with two in three ratepayers satisfied with value for money/	Continue to look for opportunities to improve service delivery which should impact on value for money from rates satisfaction ratings.
<b>Libraries</b>	<b>95.5</b>	<b>93.7</b>	<b>93.5</b>	<b>92.3</b>	<b>95.1</b>	High level of satisfaction being maintained.	Self Serve/ RFID at Woodvale and Whitford Libraries.  Upgrade of Public Internet Access terminals in all libraries.  Increased funding from State Government should result in greater number of library materials available to the public.	Self serve/RFID has been successfully installed at both libraries with a current usage level of 77%.  Public Internet Access terminals in all libraries have been updated to allow email access. New web filtering software has also been installed.  Introduction of Wi-Fi access in Joondalup Library.  June 2011 – June 2012 has seen a 17% increase in funds available for resource selection. This should assist with variety in fiction resources.	Self serve/RFID at Duncraig Library. Will complete all four libraries.  Introduction of floating collections for DVDs and CDs.  Introduction of a PC booking system to all libraries.  Introducing Wi-Fi access at Woodvale Library.  Introduction of e-audio books for 2011-2012, with access from home.  Modifying library website for increased functionality, including book walls and "Picture Joondalup".  Stage 4 of the digitisation project – digitising local history records for
