			\$15,044,186	\$12,947,751	\$2,096,435

- a) This variance includes \$18,461 for the Chamber of Commerce and Industry annual membership budgeted in full to be paid in July but has actually been allocated on a monthly basis. The balance of the favourable variance is mainly attributable to the timing of expenditure and is spread across a number of areas including external Printing \$26,075, Photography and Video Production \$30,948, Photocopying \$17,354 and Stationery \$18,395.
- b) Consultancy expenditure is \$336,235 below budget and is dependant on the progress of projects. This includes Part B of the Local Commercial Strategy \$75,000, Shared Pathway Burns Beach to Mindarie \$50,000, Coastal Foreshore Management Plan \$40,000 and Youth Festivals \$50,000.

Recoverable Legal expenses are \$80,242 below budget due to a delay in the progressing of legal recovery action for unpaid rates. Fines Enforcement Registry

lodgement fees are (\$19,738) over budget as a result of lodgements carried over from June 2011. A survey of small to medium businesses in Joondalup is now forecast to commence next year generating a favourable timing variance of \$35,000. Legal expenses are (\$62,946) over budget due to higher than budgeted legal advice for Human Resources and Rangers and Parking.

- c) Promotion costs are \$32,331 below budget including \$10,000 relating to the Wildcats event that is not going ahead at the Leisure Centres. The balance of the variance is predominantly due to budget phasing with General Advertising \$64,962 and Catering \$37,835 underspent and the balance is spread across a number of areas due to the timing of various events and promotions.
- d) This is primarily due to favourable timing variances including \$81,500 for Microsoft licences required for upgrades and \$45,828 for various annual Software Maintenance renewals. Data Communication Links and Internet Provider Costs are \$45,993 below budget mainly as a result of payments made in the prior financial year of \$26,500 that will be adjusted at the Mid Year Budget Review.
- e) A favourable timing variance has occurred for the annual Computer Equipment purchase order \$179,487 which has now been placed. Computer Equipment maintenance is \$13,848 under budget due to lower maintenance renewal costs.
 - Plant & Equipment maintenance is below budget \$37,241 for parking machines and \$15,316 for Leisure Centre equipment due to invoices that are yet to be received. Timing variances also occurred for Plant & Equipment purchases \$28,054 for facility projects yet to commence and Leisure Centre equipment \$16,808 that is still to be ordered.
- f) This favourable variance includes Refuse Removal charges \$71,715 for which invoices are yet to be received. In addition Water Rates on City properties are \$15,104 below budget, with no further payments anticipated this year.
- g) External Contractor Service expenditure is over budget for City's Buildings (\$102,632) due to unscheduled maintenance and contractor materials that are budgeted as material purchases (see i) below).

Operation Services contractor costs are \$117,265 below budget mainly as a result of the incorrect phasing of the spraying contractor and delays in the tender for drainage works.

Additional External Contractor Service favourable timing variances occurred for Capital Works Programming investigating and testing \$50,000, Leisure Centre cleaning \$32,042, Information Technology \$43,491 and Cultural Events \$27,178.

Favourable variances also occurred for External Contractor invoices accrued in the previous financial year and are yet to be processed; including Information Technology \$35,409, Traffic Engineering \$11,257 and Waste Management \$18,281.

Tipping Fees (Domestic and Bulk) are \$156,032 below budget due to lower tonnages collected to date than anticipated in the period. Year to date favourable variances also occurred for Graffiti Removal \$54,386 with fewer incidents than budgeted and for

the fire break contractor \$26,763 that will be engaged after the second round of inspections in December.

h) Year to date contributions to the Warwick Leisure Centre are (\$47,812) over budget including final adjustments for the previous financial year.

The balance of the variance is mainly a result of timing differences including \$60,000 for the Arena Community Sports and Recreation Association, \$69,121 for various Sponsorships including \$26,000 for Constable Care Child Safety Foundation, \$26,701 for the Community Funding Program and \$23,414 for Prizes and Trophies. These are partially offset by contributions for various cricket wickets (\$50,659) paid earlier than budgeted.

i) Building Material purchases are \$95,467 below budget and is offset by External Contractors who invoice the City in total for work done and material supplied altogether (see g above).

Materials are over budget for Operation Services (\$55,945), mainly due to an in increase in the volume of irrigation parts purchased. A favourable timing variance also occurred for Administration Building Works \$35,381.

- j) The Materials Recovery Facility operating costs are \$308,937 below budget due to lower tonnages over the winter period. Domestic, bulk and weekend green waste collection costs are (\$113,974) over budget due to higher tonnages to date.
- k) Capital Recoveries are (\$163,448) below budget as the capital work crew is undertaking maintenance work instead of the budgeted capital work they were expected to undertake.

6. Capital Grants and Subsidies

o. <u>s</u>	Suprial Grants and Gubsiales	YTD Adopted Budget	YTD Actual	Variance

•		\$1,529,883	\$1,668,412	(\$138,529)

- a) The City received an unbudgeted grant of \$49,500 for the installation of a disabled lift facility at the Joondalup Library, which is 50% funded by the Department of Families, Housing, Community Services and Indigenous Affairs.
- b) A Lotterywest grant of \$44,275 was received for Coastal Biodiversity Interpretive Signage that was budgeted to be received in the previous financial year.
- c) Final claims for Blackspot projects were budgeted in the prior financial year, including Marmion Avenue / Hepburn Avenue \$92,000 and Marmion Avenue / Seacrest Drive \$26,000, but were actually received in August.

d) This unfavourable variance is mainly attributable to the timing of the Metro Regional Road Group resurfacing program grant (\$117,544) which will be claimed in November.

7. Capital Projects

7. <u>Capital i Tojects</u>	YTD Adopted Budget	YTD Actual	Variance

- a) Council has endorsed progressing this project based on Concept Plan 7.2. The variance is due to the timing of the project which is behind budget phasing.
- b) Purchase of the Self Serve equipment is forecast to be complete by December 2011.
- c) The actual implementation of this project is forecast to be complete by March 2012.
- d) Site Identification and Assessment is pending submission to a future Strategy Session.
- e) This project is being reconsidered due to changes for the requirement for a grandstand.

				·	\$3,593,221	\$2,561,841	\$1,031,380

a) The Road Preservation & Resurfacing Program is progressing and a number of projects are completed. The variance is due to delays in invoicing by contractors.

- b) Work has started earlier than budget creating an unfavourable timing variance on a number of projects including Hodges Drive & Joondalup Drive Signals upgrade (\$45,950), which is complete, and Craigie Drive / Haddington Street roundabout (\$80,714).
- c) Favourable timing variances have occurred on the Hodges Drive Landscaping project \$22,420 that was completed in October and Burns Beach Landscaping \$116,844 which is progressing.
- d) This program is progressing behind budget phasing. Favourable timing variances occurred on Tennis Court resurfacing and fencing projects \$73,743 which are in progress or scheduled to commence. In addition timing of the installation of softfall and play equipment at Falklands Park and Marri Park created a favourable variance of \$83,499. These projects are to be completed by the end of December.
 - Unbudgeted expenditure on projects that are funded by money brought forward from the previous financial year total (\$54,830).
- e) This unfavourable variance is due to unbudgeted projects at Emerald Park (\$41,912) and Whitfords Nodes (\$21,295) that are funded by money brought forward from the previous financial year and Iluka Foreshore Reserve carpark lighting (\$54,735) which is progressing ahead of budget phasing.
- f) This favourable variance predominantly relates to Kingsley Park \$266,065 that is anticipated to be completed in June. The balance of the variance is due to projects progressing behind the original schedule and invoices that are yet to be submitted to the City.
- g) A number of projects are behind the budget phasing including the replacement of fire indicator and detection systems at the Joondalup Library \$98,290 which have now been completed and solar panels for Joondalup Library \$80,000 that will go to tender in January.
 - This is offset by unbudgeted expenditure of (\$173,738) associated with the Regional Local Community Infrastructure Projects for solar panels at Penistone Clubrooms, Rob Baddock Community Hall and Connolly Community Centre, funded by money brought forward from the previous financial year.
- h) This variance is predominantly due to the Currambine Community Centre which is currently under design. This project is not expected to be completed this financial year.

9. Motor Vehicle Replacements

Unfavourable variances occurred for fleet purchases of (\$182,588) which were budgeted for in the previous financial year. This variance also includes favourable timing variances to budget of \$291,499 with a number of items on order or still being considered.
