Bin Placement

Please ensure your bin:

- Is out by 6.00am on the day of collection
- Is put away, within your property, by 6.00pm on day of collection
- Weighs no more than 70kg
- Has the lid closed
- Has the bin handles and wheels facing your house (not the road)
- Is half a step in from the kerbside
- Is half a step away from your yellow lid recycler (on dual bin collection days).

Recycling tips

- Remove lids from all containers and place in your recycling bin.
- Keep recyclables loose – no plastic bags.
- Flatten your cardboard boxes before placing them in your recycling bin.

- No organic waste such as garden clippings, nappies or foodscraps. These must be placed in your green lid bin.
- Make sure there is no food or liquid left in containers or boxes – please rinse before placing in your recycling bin.

Recycling Domestic Collection

If your domestic/recycling collection is due on either Christmas Day, New Years Day or Good Friday it will be collected the following day.

Attention: Burns Beach, Joondalup, Kinross, Connolly, Currambine, Iluka residents, your 2015 Christmas, New Year and 2016 Good Friday collection day will be on **Saturday**.

BULK WASTE COLLECTIONS

The City collects bulk household items on a continuous collection cycle, allowing residents to dispose of garden refuse, old furniture, white goods and yard waste.

When and where to place your bulk waste?

Waste must be neatly placed on your verge away from power domes and water meters. Please do not place your waste in City parks, vacant blocks or on other peoples verges.

Bulk waste can not be placed on your verge any earlier than **10 days before** the advertised collection date.

Failure to meet this requirement may result in a fine and may incur costs for the removal of the material.

Illegal dumping of rubbish should be reported to Ranger Services on **9400 4960**.

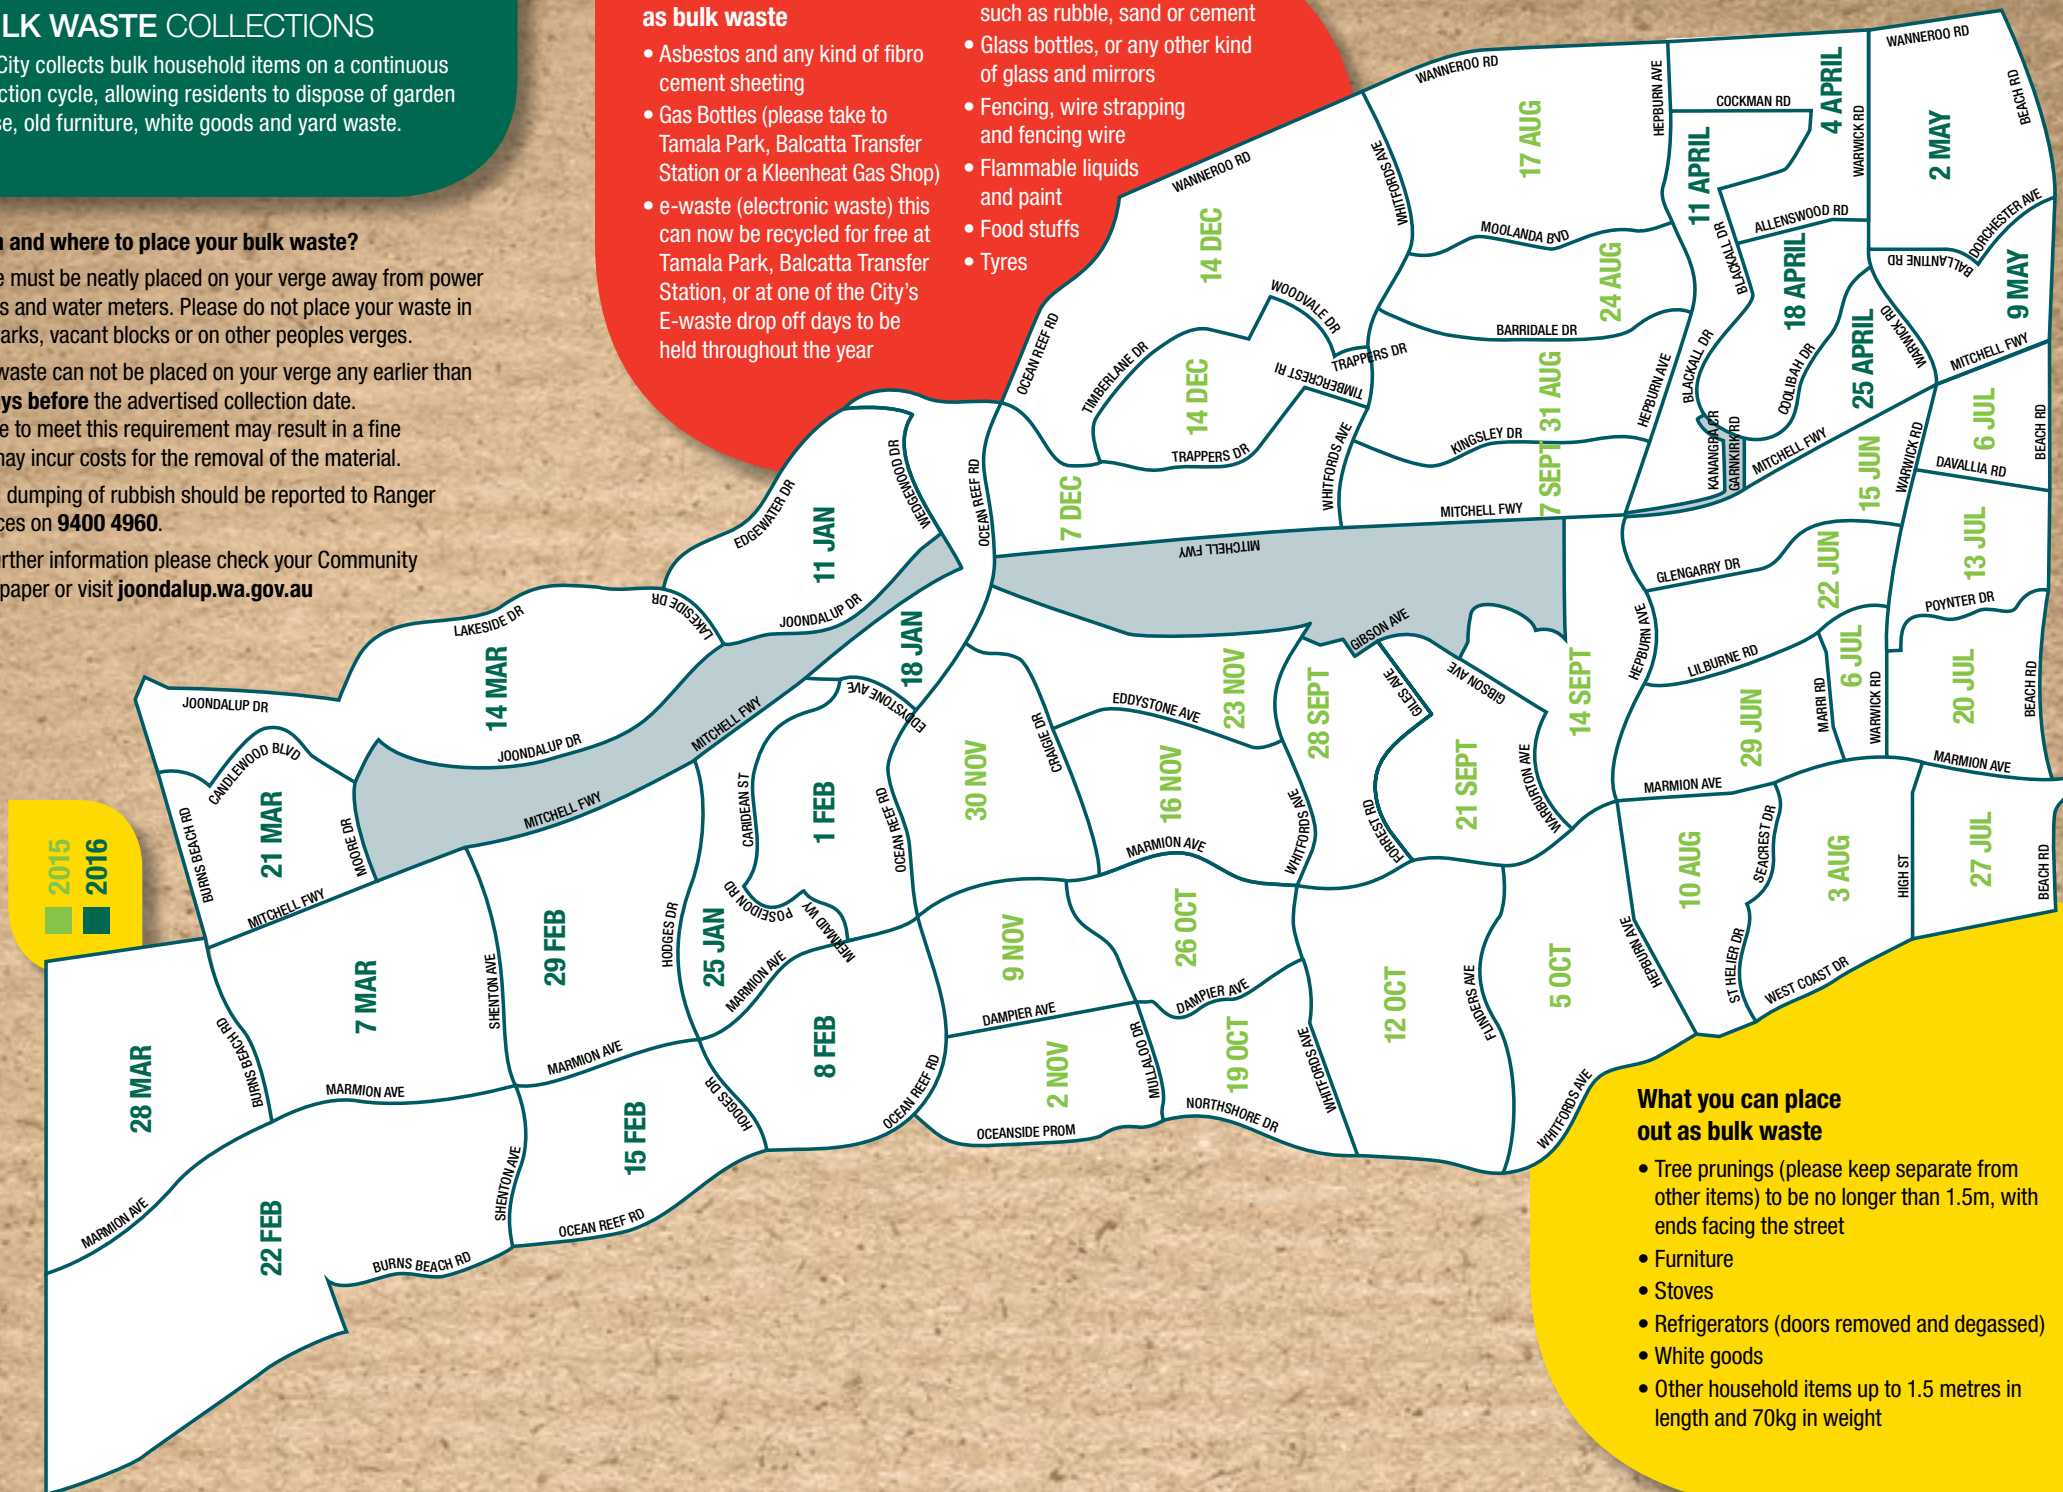

For further information please check your Community Newspaper or visit joondalup.wa.gov.au

- Furniture
- Stoves
- Refrigerators (doors removed and degassed)
- White goods
- Other household items up to 1.5 metres in length and 70kg in weight

RECYCLING INFORMATION

Bulk Waste

The City's bulk verge collection program is currently under review. The current schedule runs until May 2016. Please visit joondalup.wa.gov.au in early 2016 for information regarding possible changes to this service.

E-Waste

E-Waste is no longer collected from the bulk verge collections. Dedicated e-Waste drop off days are held throughout the year for residents to recycle e-Waste items.

Keep an eye on the City's website and local media for details of these days. Alternatively, you can take your e-Waste to Tamala Park Recycling Centre or the Balcatta Road Transfer Station at any time of the year, free of charge.

E-Waste includes televisions, PCs, laptops and all associated computer equipment. CD/DVD/blu-ray players, video recorders, stereos and cameras, a full list of items can be found on the City's website.

Mattresses

The City is now recycling mattresses as part of bulk collection. Please place your mattresses separately from the rest of your bulk rubbish. It will be collected separately, after the rest of the bulk rubbish is collected.

Green Waste

Please remember to place all organic material in your green lid bin including all garden waste and food scraps. The content of your green lid bin is delivered to a compost processing plant in Neerabup, where the organics are converted into market quality compost.

Tree prunings can be put out as part of your verge collection, please keep separate from other items and ensure they are no longer than 1.5m with ends facing the street.

More waste information can be found on the City's website at joondalup.wa.gov.au
