COMMENT FORM QUESTIONS 12

APPENDIX..... 14

OVERVIEW

The community was invited to provide feedback from 21 May 2018 to 18 June 2018 on a proposal to install cricket practice nets at Percy Doyle Football Teeball Park, Duncraig. Feedback was sought by way of a Comment Form to determine the overall level of community support for the proposal.

The City collected a total of 44 valid responses throughout the 29-day advertised engagement period; 41 completed the Comment Form online and 3 respondents submitted general feedback via email/letter. 40 submissions were from stakeholders who had been *directly* engaged by the City, indicating a response rate of 2.7%.

Respondents were asked to indicate their overall level of support for installing cricket practice nets on a five-point scale from “strongly support” to “strongly oppose”. 40 respondents indicated that they either “supported” or “strongly supported” the proposal, with 1 respondent indicating “unsure”.

Additional comments from respondents included the belief that cricket nets will be a good addition to the park, be beneficial for young people and families, encourage young people to play outdoors and enhance social cohesion and community interaction. Other comments included concerns about potential noise, and concerns about the ongoing maintenance of the cricket nets.

STAKEHOLDERS

A total of 1,468 stakeholders were *directly* engaged by the City. Stakeholders identified included:

- Local residents and landowners within a 500 metres radius of Percy Doyle Football Teeball Park = 1,460
- Park user groups = 5
 - Northern Knights Cricket Club
 - Wanneroo Joondalup Teeball Club
 - Greenwood Football Club
 - Sorrento Duncraig Junior Football Club
 - Simon Fleming Soccer
- Community groups = 1
 - Marmion, Sorrento, Duncraig Progress and Ratepayers Association

Additional stakeholders, including park visitors and interested residents and landowners living further than 500 metres away from the park, were also *indirectly* engaged by the City via the engagement materials described as follows.

ENGAGEMENT MATERIALS

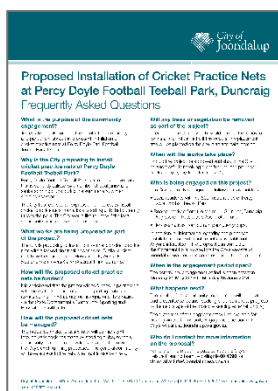

Local residents and landowners within a 500 metres radius of Percy Doyle Football Teeball Park and government stakeholders were sent information packs through the post containing a cover letter and Frequently Asked Questions document. These stakeholders were directed via the Cover Letter to the City's website to complete the online Comment Form. They were also advised that hard-copy Comment Forms were available on request.

The 5 park user groups were telephoned by City staff advising them of the engagement and directing them to the City's website to complete the online Comment Form.

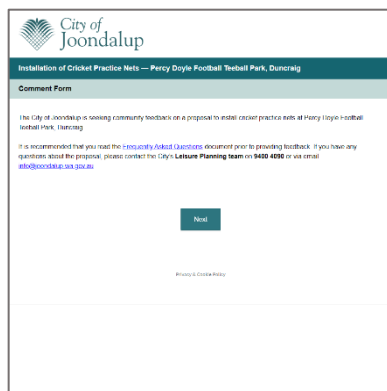

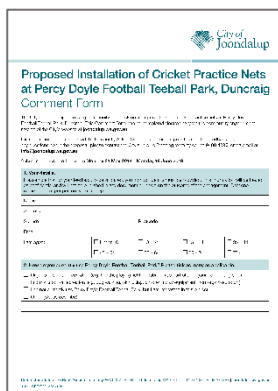

Cover letter to government stakeholders and local residents and landowners within a 500 metres radius of Percy Doyle Football Teeball Park (see Appendix 1 for full):

Frequently Asked Questions document (see Appendix 2 for full):

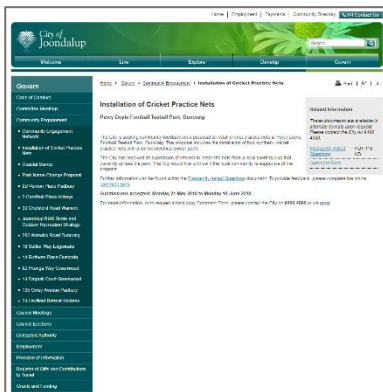

Hard-copy and online Comment Forms (see Appendix 3–4 for full):

In addition to directly contacting identified stakeholders via post and email, the City advertised the engagement to other community members via the following means:

- Webpage linked through the “Community Engagement” section of the City’s website visible 21 May 2018 to 18 June 2018.
- Signage erected at 3 locations around the perimeter of Percy Doyle Football Teeball Park 21 May 2018 to 18 June 2018 (see Appendix 7 for locations).

Community engagement webpage on the City’s website (see Appendix 5 for full):

Signage erected at Percy Doyle Football Teeball Park (see Appendix 6–7 for full):

RESPONSE RATE

The City collected a total of 44 valid responses throughout the 29-day advertised engagement period. Responses that were considered valid include all those which contained contact details enabling identification, and were submitted within the advertised engagement period. Where multiple Comment Forms were received from the same respondent, these were combined into one response.

Of the 44 respondents, 41 completed the Comment Form online and 3 respondents submitted general feedback by way of email/letter.

Of the 1,460 residents and landowners within a 500 metres radius of Percy Doyle Football Teeball Park, 39 submitted feedback. An additional 4 community members, who were not directly engaged, also submitted feedback. The City received a response from the Marmion, Sorrento, Duncraig Progress and Ratepayers Association Inc, but did not receive a response from any of the park user groups, indicating an overall response rate of 2.7%. These data are shown in the tables below.

Note that the 3 responses received in the form of emails/letters (rather than Comment Forms) have been included in the analysis under “Do you have any comments about the proposed installation of cricket practice nets at Percy Doyle Football Teeball Park?”

Responses received by type of Comment Form:	N	%
Online Comment Forms	41	93.2%
Hard-copy Comment Forms	0	0.0%
Other submissions (emails, letters, etc)	3	6.8%
Total responses	44	100.0%

	Forms sent	Forms received	Response rate
Responses received by stakeholder type:	N	N*	%
Local residents and landowners within a 500 metres radius of Percy Doyle Football Teeball Park	1,460	39	2.7%
Percy Doyle Football Teeball Park user groups	5	0	0.0%
Northern Knights Cricket Club	1	0	0.0%
Wanneroo Joondalup Teeball Club	1	0	0.0%
Greenwood Football Club	1	0	0.0%
Sorrento Duncraig Junior Football Club	1	0	0.0%
Simon Fleming Soccer	1	0	0.0%
Community stakeholders	1	1	100.0%
Marmion, Sorrento, Duncraig Progress and Ratepayers Association	1	1	100.0%
Other community members (engaged <i>indirectly</i>)	—	4	—
Total response rate (engagement <i>directly</i>)	1,468	40	2.7%

*Numbers may not add up to total, as respondents can represent more than 1 stakeholder type.

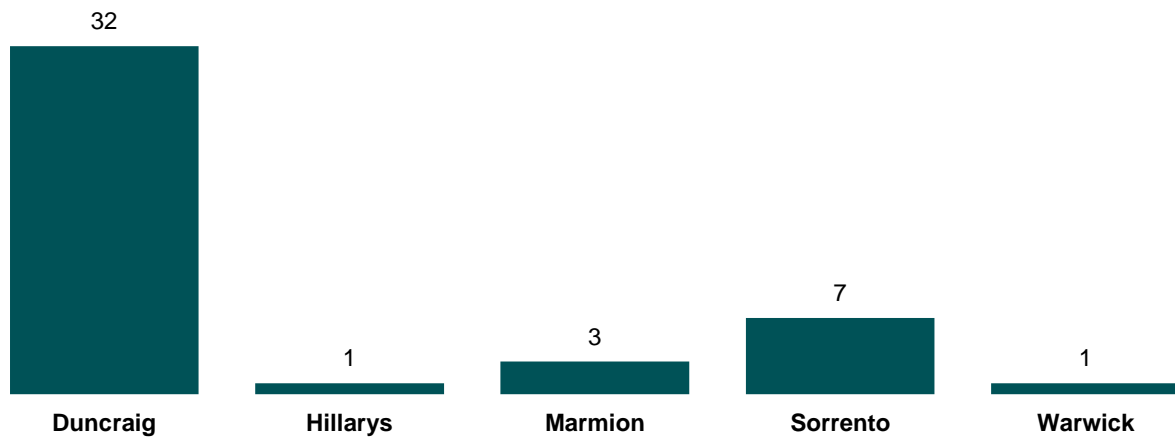

DEMOGRAPHICS

Respondent address

Respondents were asked to provide their contact address and all respondents (44) are residents of the City of Joondalup, with the majority (32) from the suburb of Duncraig. These data are shown in the table and chart below.

Responses received by suburb:	N	%
City of Joondalup		
Duncraig	32	72.7%
Hillarys	1	2.3%
Marmion	3	6.8%
Sorrento	7	15.9%
Warwick	1	2.3%
Total responses	44	100.0%

Responses received by suburb:

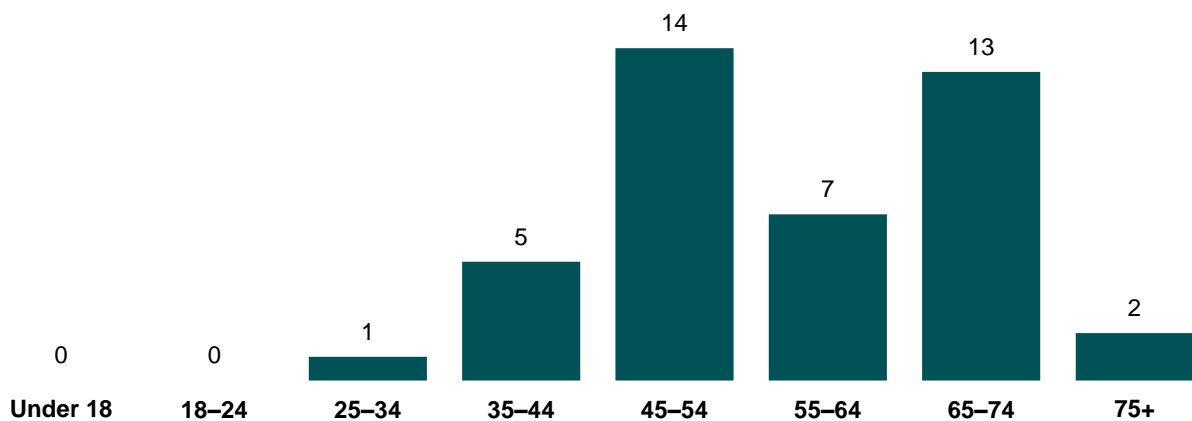

Respondent age

Respondents were asked to provide their age and the majority of respondents were aged between 45 and 54 years of age and 65 and 74 years of age. These data are shown in the table and chart below.

Responses received by age:	N	%
Under 18 years	0	0.0%
18–24 years	0	0.0%
25–34 years	1	2.3%
35–44 years	5	11.4%
45–54 years	14	31.8%
55–64 years	7	15.9%
65–74 years	13	29.5%
75+ years	2	4.5%
No response	2	4.5%
Total responses	44	100.0%

Responses received by age:

Respondent park usage type

Respondents were asked how they currently use Percy Doyle Football Teeball Park with the following options:

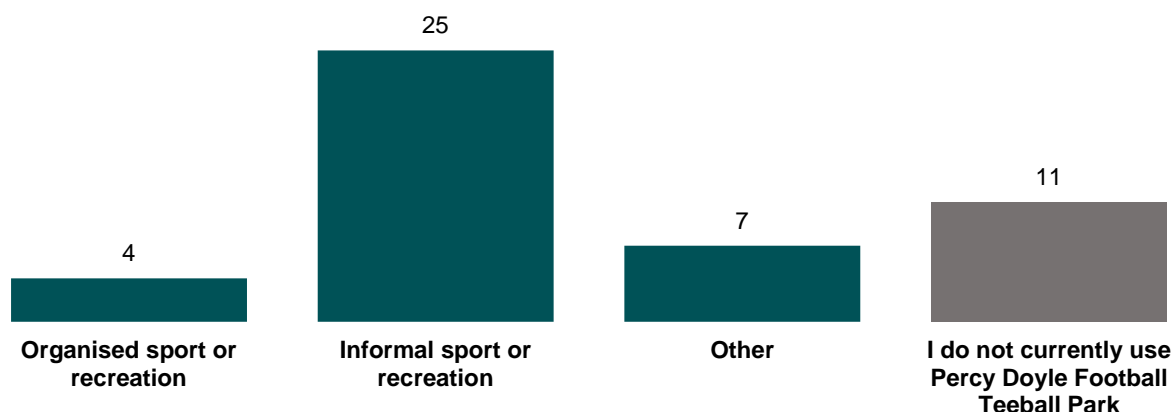

- Organised sport or recreation (eg hire the playing field or clubroom as part of an organised sporting club)
- Informal sport or recreation (eg dog walking, picnicking, children's play equipment, non-organised sporting activities)
- Other
- I do not currently use Percy Doyle Football Teeball Park, but I am interested in this project

Over half of respondents (25) indicated that they currently use Percy Doyle Football Teeball Park for "informal sport or recreation", and 4 respondents indicated "organised sport and recreation". The 7 respondents who selected "other" described activities that could be summarised as "informal sport or recreation" (eg walking, playing with children), or noted that they were a local resident. These data are shown in the table and chart below.

Responses received by type of park use:	N*	%
Organised sport or recreation	4	9.1%
Informal sport or recreation	25	56.8%
Other	7	15.9%
I do not currently use Percy Doyle Football Teeball Park	11	25.0%
No response	3	6.8%
Total responses	44	100.0%

*Numbers may not add up to total, as respondents can represent more than 1 park usage type.

Responses received by type of park use:

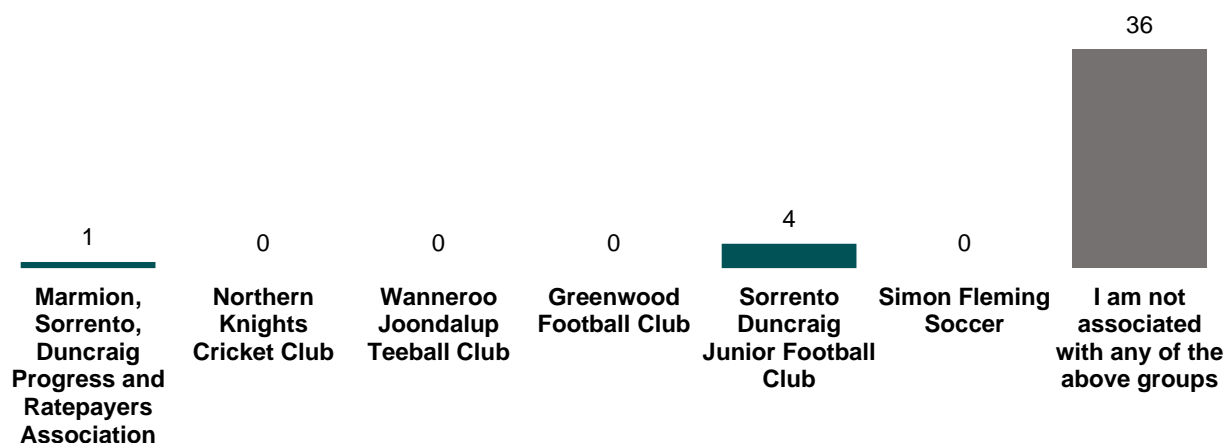

Respondent membership/affiliation to community/park user groups

Respondents were asked to identify whether they were a member of, or affiliated with, any of the community or Percy Doyle Football Teeball Park user groups. 1 respondent identified themselves as representing the Marmion, Sorrento, Duncraig Progress and Ratepayers Association, and 4 respondents identified themselves as members/affiliates of Sorrento Duncraig Junior Football Club. These data are shown in the table and chart below.

Responses received by membership/affiliation to community/park user groups:	N*	%
Marmion, Sorrento, Duncraig Progress and Ratepayers Association	1	2.3%
Northern Knights Cricket Club	0	0.0%
Wanneroo Joondalup Teeball Club	0	0.0%
Greenwood Football Club	0	0.0%
Sorrento Duncraig Junior Football Club	4	9.1%
Simon Fleming Soccer	0	0.0%
I am not associated with any of the above groups	36	81.8%
No response	3	6.8%
Total responses	44	100.0%

*Numbers may not add up to total, as respondents may be a member/affiliate of more than 1 community/park user group.

Responses received by membership/affiliation to park user groups:

COMMENT FORM QUESTIONS

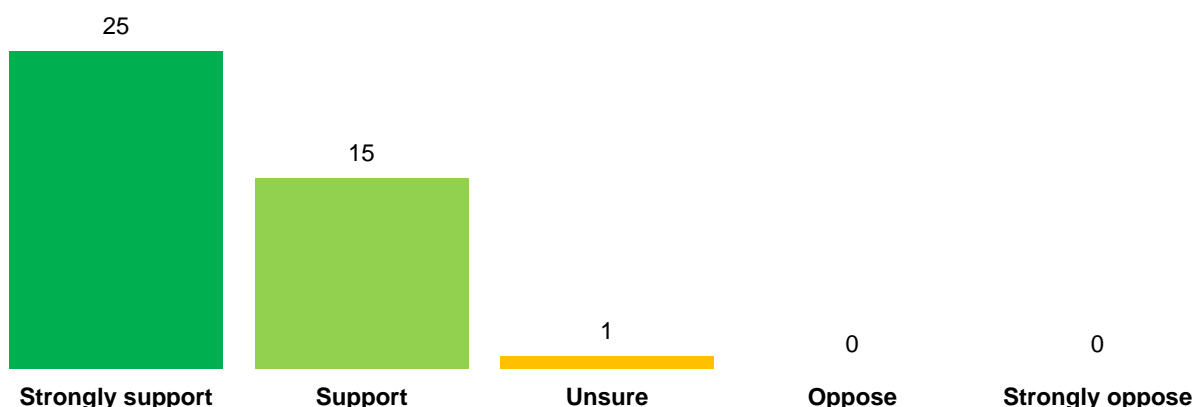

QUESTION: “The City is proposing to install cricket practice nets. Please indicate your level of support for this proposal by ticking the most appropriate box below”.

Respondents were asked to indicate their level of support for installing cricket practice nets at Percy Doyle Football Teeball Clubrooms on a five-point scale from “strongly support” to “strongly oppose”. The majority of respondents indicated that they either “support” or “strongly support” the proposal, with over half of respondents *strongly* in support. These data are shown in the table and chart below.

Note that the views of the 3 respondents who provided feedback in the form of emails/letters have not been incorporated into the analysis of this question. (This is regardless of whether they have indicated a preference in support or opposition in their written feedback, as the specific *strength* of their preference is not known, ie whether or not they are “strongly” in support/opposition).

The City is proposing to install cricket practice nets. Please indicate your level of support for this proposal by ticking the most appropriate box below:	N	%
Strongly support	25	56.8%
Support	15	34.1%
Unsure	1	2.3%
Oppose	0	0.0%
Strongly oppose	0	0.0%
No response	3	6.8%
Total responses	44	100.0%

The City is proposing to install cricket practice nets. Please indicate your level of support for this proposal by ticking the most appropriate box below:

QUESTION: “If you oppose the installation of cricket practice nets at Percy Doyle Football Teeball Park, please explain why”

Respondents who indicated that they “oppose” or “strongly oppose” the installation of cricket practice nets at Percy Doyle Football Teeball Park were asked to explain why. As there were no respondents who select either “oppose” or “strongly oppose” when completing the Comment Form, this question has not been analysed.

QUESTION: “Do you have any (further) comments about the proposed installation of cricket practice nets at Percy Doyle Football Teeball Park?”

Respondents were asked if they had any (further) comments about the proposed installation of cricket practice nets at Percy Doyle Football Teeball Park. 32 respondents provided feedback, common themes included:

- belief that cricket nets will be a good addition to the park/enhance usage of the park
- belief that cricket nets will be beneficial for young people and families
- belief that cricket nets can encourage young people to play outdoors.
- believe that cricket nets will help to enhance social cohesion/community interaction
- concern about potential noise as a result of people using cricket nets
- concern about ongoing maintenance of cricket nets.

Verbatim comments have been randomised and are provided at Appendix 8.

Dear Mr Citizen

PROPOSED INSTALLATION OF CRICKET PRACTICE NETS – PERCY DOYLE FOOTBALL TEEBALL PARK, DUNCRAIG

The City is seeking community feedback on a proposal to install cricket practice nets at Percy Doyle Football Teeball Park, Duncraig. The proposal includes the installation of four synthetic cricket practice nets with a locked electrical power point.

The City has received an expression of interest to install the nets from a local sporting club that currently utilises the park. The City would like to know if the local community is supportive of the proposal.

To provide feedback, please complete the online comment form available via the "community engagement" section of the City's website at joondalup.wa.gov.au. It is recommended that you read the enclosed frequently asked questions document prior to providing feedback.

For further information, or to request a hard-copy comment form, please contact the City's **Leisure Planning** team on **9400 4090** or via email info@joondalup.wa.gov.au

SUBMISSIONS ACCEPTED: Monday 21 May 2018 to Monday 18 June 2018.

Yours sincerely

A handwritten signature in blue ink, appearing to read "Mike Smith".

MIKE SMITH
Manager Leisure and Cultural Services

Attachment Frequently asked questions

APPENDIX 2 — Frequently Asked Questions (page 1)

Proposed Installation of Cricket Practice Nets at Percy Doyle Football Teeball Park, Duncraig

Frequently Asked Questions

What is the purpose of the community engagement?

To seek feedback from local residents, the community and park users about the proposed installation of cricket practice nets at Percy Doyle Park Football Teeball Park, Duncraig.

Why is the City proposing to install cricket practice nets at Percy Doyle Football Teeball Park?

Percy Doyle Football Teeball Park is a regional active park that is currently utilised by a number of local junior and senior sporting clubs during the summer and winter sporting seasons.

The City has received an expression of interest to install cricket practice nets from a local sporting club that currently utilises the park. The City would like to know if the local community is supportive of the proposal.

What works are being proposed as part of the project?

The City is proposing to install four synthetic cricket practice nets with a locked electrical power point. Similar cricket nets have been installed at Hawker Park, Warwick (see photo on reverse) and Seacrest Park, Sorrento.

How will the proposed cricket practice nets be funded?

It is anticipated that the project will be funded in partnership with the State Government and the sporting club who requested the infrastructure, on an equal one-third basis, via the State Government's Community Sporting and Recreation Facilities Fund.

How will the proposed cricket nets be managed?

The proposed cricket practice nets will be managed through park bookings made by sporting clubs, schools, community groups and individuals, in accordance with the City's existing hiring processes. The general community will have access to the nets when not in use by hirers.

Will any trees or vegetation be removed as part of the project?

There is one small tree which would need to be removed for installation of the nets. If this occurs, a replacement tree will be planted on the site in an alternate location.

When will the works take place?

Should the project be approved and should the City be successful in receiving grant funding, the proposed works will be scheduled for mid-2019.

Who is being engaged on this project?

The City is directly engaging the following stakeholders:

- Local residents within a 500-metre radius of Percy Doyle Football Teeball Park;
- Representatives from the Marmion, Sorrento, Duncraig Progress and Ratepayers Association; and
- Representatives from current park user groups.

In addition, all information regarding the proposed installation of cricket practice nets is available online. Anyone interested in the proposal can complete the Comment Form located via the City's website at joondalup.wa.gov.au responses limited to one per person.

When is the engagement period open?

The community engagement period is open between **Monday 21 May 2018 to Monday 18 June 2018**.

What happens next?

The results of the community engagement will be collated and presented to Council seeking endorsement to progress to the next stage of the project – seeking external funding.

The outcomes of this engagement will be available for viewing via the Community Engagement section of the City's website at joondalup.wa.gov.au

Who do I contact for more information on the proposal?

For further information, please contact the City's Leisure Planning team by calling **9400 4090**, or via email at info@joondalup.wa.gov.au

APPENDIX 6 — Signage erected at Percy Doyle Football Teeball Park

Percy Doyle Football Teeball Park – Proposed Installation of Cricket Practice Nets

The City of Joondalup is seeking feedback on the proposal to install cricket practice nets at Percy Doyle Football Teeball Park.

To provide feedback, please complete the online Comment Form located on the Community Engagement section of the City's website at joondalup.wa.gov.au

For further information on the project, contact the City's Leisure Planning team on **9400 4090**.

Engagement closes **Monday 18 June 2018**

APPENDIX 7 — Map showing locations of signage erected at Percy Doyle Football Teeball Park

APPENDIX 8 — Verbatim responses

QUESTION: “Do you have any (further) comments about the proposed installation of cricket practice nets at Percy Doyle Football Teeball Park?”

Note: Words that may identify respondents or contain offensive language have been removed and replaced with square brackets, ie [- - -]. Minor alterations have been to spelling/grammar to enhance readability.

Verbatim responses — Do you have any (further) comments about the proposed installation of cricket practice nets at Percy Doyle Football Teeball Park (N = 32):
<i>We believe this will enhance the use of the Park, particularly of younger people.</i>
<i>I have a few minor concerns: 1. Is the floodlight tower going to be affected by the practice net installation? 2. Has it been determined that any balls hit towards the club rooms will not hit the club rooms, or more importantly any persons standing in the under croft area? 3. It appears to me that a straight drive will more than likely go through or land in the area where teams may be seated on the boundary, this would be dangerous. Although it is further from the club rooms could the nets be installed in the North East corner of the park facing towards the centre of the oval?</i>
<i>I fully support the installation of cricket nets at Percy Doyle. I coach [- - -] and my family live [- - -]. There are currently no suitable cricket nets for my son, his friends and I to use in summer that I am aware of in walking vicinity of this park other than the nets at Poynter Primary School, which are in average condition.</i>
<i>I support the installation of sporting facilities for community use to encourage more people to play any sport and engage with each other.</i>
<i>Excellent facility enhancement — strongly approve.</i>
<i>I believe it is a good idea to assist local sporting clubs and members. Also improves overall health and interest in sport.</i>
<i>I support the installation of cricket practice nets at this facility, as long as it is only used during daytime, between 8 am and 6 pm during summer, and between 8 am and 5 pm during winter. It will make a noise, so if used at any time, will not be fair to people who live nearer to this facility.</i>
<i>Just that is would be a good addition to the park.</i>
<i>All outdoor activities should be encouraged.</i>
<i>I think it's a great idea if only one tree has to be removed. There are so few shade trees left around that area.</i>
<i>I think it is an excellent initiative that will entice more youth into active sports out in the open, away from their TVs and phones. Management re-funding (use by schools/others etc), and ongoing upkeep is my main issue. Promoting outdoor sport should be strongly encouraged to improve participation levels. Direct and measurable benefits: 1. Alternative to TV and mobile phones/internet etc. 2. Less anxiety 3. Improved fitness 4. Social interaction 5. Healthy 6. Friendship and team building opportunities.</i>
<i>It's great to provide facilities for families to use and enjoy. Sport is such an important component of a child's development. Fully support this initiative.</i>
<i>I am more than happy for there to be sports facilities established within our area, to encourage children & teens to pursue their sporting interests, engage with other members of the local community & increase their levels of exercise in the fresh air as a way to help combat lifestyle illnesses that are a common problem in developed societies. My concern is for the physical maintenance of the nets on an ongoing basis, as the tennis courts that were previously in place adjacent to the library were very poorly maintained.</i>
<i>I think it is a great proposal and will be used by many people for years to come.</i>
<i>Any type of sporting equipment is welcome.</i>

Verbatim responses — Do you have any (further) comments about the proposed installation of cricket practice nets at Percy Doyle Football Teeball Park (N = 32):

Dear [- -],
 Sorry we are not online. At the ages of 85 and 93, we have no interest in the cricket whatsoever. Sometimes there is a lot of noise, but it does not worry us.
 Yours sincerely, [- -].

Providing it doesn't cost the Joondalup Council or ratepayers any funds, contribution \$\$, or in lieu in the erecting of the cricket facilities, nor any future expenditure in maintenance or costs associated with this proposal, then I would support this, otherwise I feel the Council should not be expending monies and equipment on the venue.

We think it's a great idea and strongly support the installation of the nets which we'd get good use out of in the summer season. Thank you for considering our opinion. The [- -] Family

As a local resident with [- -] we have been hoping for cricket nets at Percy Doyle for years. I think this will be a fantastic addition to the complex, particularly for the current resident cricket clubs that use the oval. But also for local residents' children and adults so they can practice their batting and bowling without having to travel to nets in Marri Road, Glengarry, Robin Park or Seacrest.

[- -]
 Manager Leisure and Cultural Services.
 Dear [- -],
 I have looked at the site of the possible positioning of cricket practice nets at the Percy Doyle Reserve.
 I now consider that there is insufficient room to place new practice nets at the proposed location with the nets backing on to Warwick Road.
 As was noted in your note about the proposal sent to me not only is the very limited room and at least one tree would have to be removed there is a tall ground lighting tower in the area that would be required by bowlers in their run up. This lighting tower would be in danger of being hit regularly and also the distinct possibility that the lights themselves would be damaged during net sessions.
 I have inspected the cricket nets at Marri Oval and at Carine Open Space and notice that much more space is required for the facility than just the nets with positions for bags and clothing etc. Neither of these locations appear well maintained. At Marri Road the net wicket area is covered with sand and at Carine Open Space there is a build-up of leaves in the nets.
 In conclusion, I oppose the construction of new cricket practice nets at Percy Doyle Reserve in the position proposed and that large number of children and spectators at the Tee Ball games not be displaced by cricket practice nets.
 Yours Faithfully,
 [- -]

Interested in the actual location of the nets.

I believe that any sporting improvements to encourage young people to participate in outside activities is worthwhile.

Great to get kids off their electronic devices and improves our chances of a decent Australian cricket team!

I think it's a great idea. I have a young family and would love to take my boy to the cricket nets one day. I played a lot of Senior cricket and hopefully my boy will follow in dad's steps????

Currently my son [- -] wants to play and practice cricket before becoming a member of a club. The new nets will provide an opportunity for training and practice. in the past 3 years approx. [- -] children have moved into our street. These nets will enhance the active use of the park and enhance its facilities.

Verbatim responses — Do you have any (further) comments about the proposed installation of cricket practice nets at Percy Doyle Football Teeball Park (N = 32):
<i>This is required to improve the opportunity for community members to participate in cricket.</i>
<i>Wonderful idea, I hope this proposal passes.</i>
<i>Support is contingent on no impact to the football field.</i>
<i>I am in favour of your Leisure Planning 02056 proposal regarding the installation of cricket practice nets as outlined in your letter of 18 May 2018.</i>
<i>Good to see more facilities for organised sport for young people in our community.</i>
<i>The cricket nets are a great idea and will be an asset to the cricket club and other residents in the area wishing to practice cricket.</i>
<i>Happy for this to go ahead.</i>
