PURPOSE

For Council to establish a committee structure and appoint elected member representatives to those committees.

EXECUTIVE SUMMARY

In accordance with the *Local Government Act 1995* Council can establish committees to assist with its decision-making functions and responsibilities. Following the biennial local government elections, it is usual practice for Council to appoint members to council-created committees.

Council is also requested to call the first meeting of its new committees to:

- enable a Presiding Member and Deputy Presiding Member to be appointed
- establish meeting dates where necessary for the remainder of 2019 to determine matters prior to Council going into recess over the months of December and January
- establish meeting days, times and frequency for 2020.

BACKGROUND

At its meeting held on 12 December 2006 (CJ236-12/06 refers), Council introduced a rolling four-weekly meeting cycle, which enabled the fourth week to be used to hold additional information sessions, or for scheduling various committee meetings.

Council subsequently adopted a revised meeting cycle at its meeting held on 30 September 2008 (CJ196-09/08 refers), based on a monthly format with Strategy Sessions held on the first Tuesday of each month, Briefing Sessions held on the second Tuesday and Council Meetings on the third Tuesday.

This enables committee meetings to be scheduled on the Monday, Tuesday or Wednesday of weeks one, two and three so to minimise potential conflicts with other Council activities and provide a 'meeting-free' week in the fourth week of each month.

It is preferable to hold committee meetings in the first week of the month, thereby enabling committee recommendations to be listed in the Briefing Session agenda and subsequently the Council meeting agenda, however this may not always be possible due to other scheduled meetings.

It has been a normal principle at the City that whenever a committee is formed, that an elected member representative from each of the City's six wards, plus the Mayor, is a member on a respective committee. Under the *Local Government Act 1995* the Mayor is entitled to be on a committee (where there is Elected Member representation and the Mayor so desires to be on the committee) and each Councillor is entitled to be on at least one committee.

At the Special Council meeting held on the 6 November 2017 (refers JSC03-11/17) the following changes to committee structures were endorsed:

- That the Audit Committee now be known as the Audit and Risk Committee to better
 reflect that the committee will not only consider audit matters, but also risk issues that
 may impact on the City.
- That the previous Finance and Major Projects Committees to be merged into one committee, to be named the Major Projects and Finance Committee. On the basis that items previously dealt with by the Major Projects Committee will not require as regular reporting due to the maturity or current position of various projects, as well as to reduce the time commitment of Elected Members in attending committee meetings. Subsequently the role of the committee was changed to the current terms of reference.

It is therefore recommended that the current committee structure and role be maintained other than the Chief Executive Officer Performance Review Committee which will now include activities relating to the recruitment of a new Chief Executive Officer.

There were initially five Council committees established following the 2015 local government elections. Proposed role changes to Chief Executive Officer Performance Review Committee

The contract of the City's current Chief Executive Officer, Mr Garry Hunt concludes on 31 July 2020. Mr Hunt has indicated that he does not wish to have a further contract of employment with the City in which case Council will need to commence the recruitment process for a new Chief Executive Officer.

On 27 June 2019, the *Local Government Legislation Amendment Act 2019* was passed in Parliament which included some of the legislative change around the need for model standards covering the recruitment and selection, performance review and early termination of local government chief executive officers.

In view of this the Department of Local Government, Sport and Cultural Industries (the Department), in consultation with representatives from the Public Sector Commission, the WA Ombudsman, the Western Australian Local Government Association and Local Government Professionals have developed standards and guidelines that will be used to inform the drafting of the required regulations and other supporting documents. The Department is currently seeking feedback on the draft standards and accompanying guidelines however no change has been put in place at this time.

Notwithstanding the above, the draft principles and guidelines for the recruitment of a new local government chief executive officer has been assessed, in which case the role of the Chief Executive Officer Performance Review Committee (to be renamed the Chief Executive Officer Recruitment and Performance Review Committee), should include the following activities:

- Recommend to Council the selection and appointment process of a Chief Executive Officer.
- Recommend to Council the preferred consultant to assist with the recruitment process for a Chief Executive Officer.
- Undertake the interview of preferred applicant(s) on the advice of the appointment consultant's shortlisted applicants for the position of Chief Executive Officer.
- Recommend to Council the appointment of a preferred applicant as Chief Executive Officer under the terms and conditions of an agreed Chief Executive Officer Employment Contract.

It is suggested the current membership of the committee be maintained however it does not preclude other elected members from attending meetings as and when they so desire.

In view of this, it is recommended the role of the Chief Executive Officer Recruitment and Performance Review Committee is to:

- recommend to Council the selection and appointment process of a Chief Executive Officer
- recommend to Council the preferred consultant to assist with the recruitment process for a Chief Executive Officer
- undertake the interview of preferred applicant(s) on the advice of the appointment consultant's shortlisted applicants for the position of Chief Executive Officer
- recommend to Council the appointment of a preferred applicant as Chief Executive Officer under the terms and conditions of an agreed Chief Executive Officer Employment Contract
- review the Chief Executive Officer's performance in accordance with the appropriate provisions contained within the Chief Executive Officer's Employment Contract
- prepare and table the concluded report, in accordance with the appropriate provisions within the Chief Executive Officer's Employment Contract to Council
- review the Chief Executive Officer's performance on an on-going basis as and when deemed necessary in accordance with the appropriate provisions contained within the Chief Executive Officer's Employment Contract
- review the Key Performance Indicators to be met by the Chief Executive Officer
- review the Chief Executive Officer's remuneration package, in accordance with the appropriate provisions within the Chief Executive Officer's Employment Contract
- review the Chief Executive Officer's Employment Contract and make recommendations to Council in relation to varying the contract as and when necessary.

Membership

- Mayor.
- One elected member representative from each of the City's six wards (with corresponding deputy member).

COMMENT

Further to the establishment of the committees, it is recommended that a special meeting of each committee is called immediately after the Special Council meeting to elect a Presiding Member and Deputy Presiding Member, as well as to consider setting meeting dates for each committee.

Some committees will be required to meet and consider matters prior to Council going into recess. In addition, all committees will be requested to consider setting meeting dates for 2020, being cognisant of Council's preferred monthly meeting cycle. This will assist with forward planning for all Elected Members, management and staff and ensure synergy between committee and Council meeting dates.

PURPOSE

For Council to appoint representatives to various external committees, boards and internal groups where the City has representation.

EXECUTIVE SUMMARY

Following the biennial local government elections, it is usual practice for Council to appoint representatives to various Council created groups and panels, as well as other external committees or boards where the City has representation.

Council is therefore requested to make the necessary appointments as listed in the recommendation to this report.

BACKGROUND

Over a number of years Council has created a range of reference groups and other panels such as; the Strategic Community Reference Group and the Joondalup Design Reference Panel to assist it with its operations as well as technical and stakeholder reporting to City officers. Council also nominates representatives to other committees/boards created by external organisations.

At its meeting held on 26 June 2012 (CJ112-06/12 refers), Council resolved to disband the City's working groups and community forums and establish a Strategic Community Reference Group to provide advice to Council on matters of significant community interest and strategic initiatives. At its meeting held on 21 August 2012 (CJ156-08/12 refers), Council made various appointments to the group following an expression of interest process throughout the community. Appointments of community members from each ward of the City has been undertaken following the local government elections of 2013, 2015, 2017 and 2019.

The Western Australian State Parliament enacted legislation that introduced Development Assessment Panels which are the decision-making body for a certain type, class and/or value of planning applications the City receives from time to time. Development Assessment Panels consist of three specialist independent members and two elected members from the City with all membership appointments made by the Minister for Planning.

At its meeting held on 6 November 2017 (JSC04-11/17 refers), Council nominated Crs Hamilton-Prime and Taylor to represent the City of Joondalup on the North-West Metropolitan Joint Development Assessment Panel, with Cr Dwyer being nominated as first alternate member and Cr Jones as second alternate member.

The DAP Secretariat has advised that nominations are required for all four positions on the DAP as the current membership expires on the 26 January 2020. Following nomination, appointments are then made by the Minister for Planning for a term ending 26 January 2022.

DETAILS

Outside of the Council created committees that are considered within a separate report, Council currently has two reference groups and a design reference panel. The City also has representation on two Regional Councils and eight external committees or boards. Information on the roles of these committees and boards and their membership as at the time of the local government elections held on 19 October 2019 is provided in Attachment 1.

Some relevant considerations in relation to some other committees, panels and groups is detailed below.

Joondalup Design Reference Panel

Council endorsed the establishment of a Joondalup Design Advisory Panel (JDRP) at its meeting held on 30 September 2008 (CJ213-09/08 refers), now renamed to the Joondalup Design Reference Panel. Panel members are appointed for a two year period and have traditionally consisted of members from relevant professional institutions representing:

- architecture
- urban design planning
- town planning
- landscape architecture.

The panel has been instrumental in providing design advice to applicants, support to the City officers in their assessment of applications, support to staff in their negotiation with applicants to make changes to proposals and information to Council to assist in determining development proposals.

The current panel comprises:

Australian Institute of Architects (AIA)

- Rod Mollett
- Nerida Moredoundt (deputy)

Planning Institute of Australia (PIA)

- Jane Bennett
- Chris Melsom (deputy)

Australian Institute of Landscape Architects (AILA)

- Robin Burnage
- Vacant (deputy)

The existing panel members have individually and collectively been instrumental in adding value to the application assessment and determination process.

As the completion of the two year term of appointment of the current panel is approaching, the City has approached the AIA, PIA and AILA to seek expressions of interest from members for appointment to the panel for the next two years.

Following advertising undertaken by each of the institutions, the AIA, PIA and AILA have recommended that the current panel members continue to represent their relative industry body on the JDRP.

In addition, the AILA has advised that an expression of interest has also been received from Mr Tony Blackwell.

Mr Blackwell is the Managing Director of Blackwell and Associates and has over 40 years of professional experience in landscape architecture and urban design. Mr Blackwell holds the positions of Fellow of the Australian Institute of Landscape Architects, Adjunct Professor at the School of Design (UWA) and is a Registered Landscape Architect and Urban Designer with AILA.

In addition to his vast experience as an industry professional Mr Blackwell also has experience as a member of a number of design review panels including panels for the:

- Town of Cambridge
- City of Stirling
- City of Wanneroo
- City of Rockingham
- Town of Victoria Park
- Metropolitan Redevelopment Authority
- State Design Review Panel.

Historically Mr Blackwell's involvement on these panels focused mostly on assessing medium and high density and mixed use developments, however more recently has expanded to also include local development plans, landscape masterplans, repurposed heritage buildings, aged care facilities, short stay accommodation and child care centres.

Mr Blackwell's experience is therefore highly relevant to the nature of proposals considered by the JDRP.

In view of the above it is recommended that the current panel members be reappointed in their existing roles and that Mr Blackwell be appointed to the position of deputy member – Australian Institute of Landscape Architects.

As outlined above, panel members are appointed for a two year period. In May 2019 the Western Australian Planning Commission (WAPC) released stage one of 'Design WA'. Stage one includes the 'Design Review Guide' which is a guiding document for local governments to set up and operate design review processes and seeks to ensure consistency for panels of this nature across local governments.

The City is currently reviewing the JDRP, including its Terms of Reference and panel composition, in the context of the Design Review Guide to determine whether changes to the structure are required. If changes are recommended, this may result in a shorter appointment timeframe for the proposed panel or may require the proposed panel members to re-nominate.

North West District Planning Committee

The North West District Planning Committee was established in accordance with the provisions of the *Planning and Development Act 2005*. At its meeting held on 25 August 2009, the Western Australian Planning Commission resolved that the North West District Planning Committee would become an advisory committee with meetings scheduled at the discretion and direction of the Western Australian Planning Commission. The committee has not met since 2009 and currently has no scheduled meetings. However, due to its statutory establishment it is prudent that the Council still appoint a representative.

North-West Metropolitan Joint Development Assessment Panel (JDAP)

From 1 July 2011, 15 Development Assessment Panels (DAPs) commenced operation throughout Western Australia.

DAPs are responsible for determining development applications where the likely cost of the development exceeds a specified dollar value. For the City of Joondalup, any proposal over \$10 million in value would be determined by the JDAP (mandatory DAP application). An applicant may also elect for a development with a value of between \$2 million and \$10 million to be determined by the JDAP (opt-in DAP application).

The JDAP consists of the following members:

- Three members with specialist knowledge in the areas of town planning, architecture, or other related disciplines.
- Two Elected Members from the City of Joondalup, who sit on the panel for applications relating to the City of Joondalup only.

At its meeting held on 6 November 2017 (JSC04-11/17 refers), Council nominated Crs Hamilton-Prime and Taylor to represent the City of Joondalup on the North-West Metropolitan Joint Development Assessment Panel, with Cr Dwyer being nominated as first alternate member and Cr Jones as second alternate member.

The DAP Secretariat has advised that nominations are required for all four positions on the DAP as the current membership expires on the 26 January 2020. Following nomination, appointments are then made by the Minister for Planning for a term ending 26 January 2022.

Strategic Community Reference Group

At its meeting held on 26 June 2012 (CJ112-06/12 refers), Council established the Strategic Community Reference Group (SCRG) as a participation mechanism for the external provision of advice and input to Council on matters of significant community interest and strategic initiatives.

Over the last two years, the SCRG has provided Council with advice on the following strategic matters:

- Engaging Young People at the City of Joondalup.
- Supporting local business within the City of Joondalup.
- Review of the City of Joondalup Community Safety and Crime Prevention Plan.
- Development of a draft Cultural Plan for the City of Joondalup.

Other matters that have been discussed in the past have included the following:

- Review of the City's Environment Plan.
- Review of the City's Community Development Plan.
- Review of the City's Waste Management Plan.
- Options for Volunteer Recognition Program.
- Major review of the City's *Strategic Community Plan Joondalup 2022*.
- Review of the City's Community Engagement and Communication Practices.
- Options for the development of a Community Leaders Program.

The Strategic Community Reference Group consists of the following members:

- Two community representatives from each Ward who were subject to a nomination process addressing their experience in strategic planning and decision-making.
- Up to four elected members, one of whom acts as a Presiding Member.
- Up to four temporary appointed professionals to provide expert advice and information on specific matters as required.

The community representatives for the Strategic Community Reference Group, up until October 2019 were as follows:

WARD	MEMBER
North Ward	Dr Ross Hollett
Notifi watu	Mr Graydon Smith
North-Central Ward	Ms Lara Silbert
North-Central Ward	Ms Karen Warwick
Control Word	Mr Peter Beaton
Central Ward	Mr Ross Oxwell
South-West Ward	Mr Brian Yearwood
South-west ward	Ms Jo Stephens
South-East Ward	Ms Selina Gates
South-East Ward	Mr David Healy
South Ward	Dr Susan King
South Walu	Ms Tiffany Tonkin

In accordance with the SCRG Terms of Reference, the terms for community members concluded in October 2019 in line with the Ordinary Local Government election cycle. Community members were advised of the conclusion of their current term in October 2019 and were also informed that Council would consider the re-establishment of the SCRG and membership composition following the local government elections held on 19 October 2019.

In view of this, it is recommended that Council:

- endorses the current Terms of Reference of the Strategic Community Reference Group
- authorises the Chief Executive Officer to seek nominations to fill the vacant community representative positions for all wards.

Edgewater Quarry Community Reference Group (EQCRG)

Council endorsed the establishment of the Edgewater Quarry Community Reference Group (EQCRG) at its meeting held on 12 December 2017 (CJ209-12/17 refers) and approved the appointment of His Worship the Mayor and Elected Members for North-Central Ward to the EQCRG.

In accordance with the endorsed Terms of Reference and following an Expression of Interest process, Council appointed 20 community members of the EQCRG at its meeting held on 15 May 2018 (CJ075-05/18 refers) representing the following categories:

- a maximum of six ratepayers or residents from the suburb of Edgewater
- five ratepayers or residents from other City suburbs.

To achieve a wide-range of community representation, the nine remaining places were representatives from community or special interest groups.

The members of the EQCRG, up until October 2019, were as follows:

Elected Members	Ward	
Hon. Albert Jacob JP	Mayor and Presiding Member	
Cr Philippa Taylor	North Central Ward	
Cr Nige Jones	North Central Ward	
Edgewater Representatives	Community/Special Interest Group Representatives	
Jo Baker	Jane Burns	
Louis Humberstone	Jason Beltran	
Margaret Elliott	Annette Morey	
Mat Humfrey	Elizabeth Hewitt	
Clayton Sanders	Alexis Anderson	
Laura Hodgen	Alan Crofts	
Other City Suburb Representatives	Bryan Saunders	
Thomas Forbes	Lynda Dawson	
Magdalen Purcell	Graeme Trevena	
Carolyn Lindsay		
Moya Jones		
Julie A Andrews		

As outlined in the EQCRG Terms of Reference the role of the group is to:

- examine the future options for the Edgewater Quarry site
- assist with the development of a concept plan
- identify and discuss the issues and concerns of the community and stakeholders around the options for the Edgewater Quarry site

- represents the interests of the wider community
- act as a conduit to disseminate information and feedback to and from the wider community
- liaise with extended networks and community groups to facilitate information sharing concerning Edgewater Quarry.

The EQCRG does not have delegated powers, or the authority to represent the City or implement any recommendations without the approval of Council.

The EQCRG has met on three occasions during 2018 and 2019. While the term of membership, as stated in the Terms of Reference, is up until 31 October 2019, the group has not yet determined recommendations on a potential concept plan to present to Council. Notwithstanding it is suggested that membership of the group be extended for a further 12 months to enable this work to be completed.
