		Capacity	Demonstrated understanding of the required tasks	Demonstrated experience in providing similar services	Social and economic effects on the local community			
Surf Life Saving Western Australia Incorporated	Yes	It has been providing similar beach lifeguard patrol services in WA for more than 20 years. It employs 30 full-time, 26 part-time and approximately 170 casual staff each year. It employs staff on a seasonal or casual basis to meet the requirements of all lifeguard service contracts it has in place. An organisational structure and details of key personnel including their length of service, experience and qualifications were provided. A list of specialised equipment that will be used for each of the specified patrol areas was supplied. It indicated It has a pool of trained resources within the network of clubs in WA (over 5,000 members capable of delivering lifesaver patrols each season) and the ability to provide additional personnel as it can mobilise staff from other locations.	It demonstrated a thorough understanding and appreciation of the City's requirements. It submitted a detailed methodology and approach to delivery of lifeguard services by developing and applying local operating procedures that aligns with standard operating procedures. A summary of its approach to delivery of services for the City outlined the existing local operating procedures applicable to each of the locations. It indicated an operations app (proprietary cloud-based paperless patrol log) will be used every hour during each patrol to collect statistics of beach attendance and closures, preventative actions, reactive actions including first aid and rescues, real time hazards, local ordinance actions and gear and equipment checks.	It has extensive experience providing similar beach lifeguard patrol services to various government agencies in WA including the Department of Primary Industries and Regional Development (The Basin at Rottnest Island, Meelup Beach and Bunker Bay – eight years of service, approx. 75 days per season), Town of Cambridge (City Beach – 20 years of service, approx. 122 days per season) and Shire of Augusta Margaret River (River Mouth Beach – 2 years of service, approx. 130 days per season). It has been providing similar beach lifeguard patrol services to the City since 2002.	It is located in Balcatta.  It stated it has a close working relationship with two affiliated surf life saving clubs located within the City (Mullaloo and Sorrento surf life saving clubs). It promotes and supports local community activities within the City including delivery of a safety service (called Abalone Patrol) every season to enable the safety of abalone fishers in patrol areas between Burns Beach and Ocean Reef as well as at Marmion.	85.9%	\$213,179 (Fixed lump sum - Season 1 only)  \$652,414 (Seasons 1, 2 and 3 inclusive)	n/a
All requirements have been met.
