

Certified Building Application Checklist

This checklist is to assist applicants to prepare a complete certified building permit application submission.

The City endeavours to ensure all required information is provided at the time of lodgement. A complete building permit application, where all necessary information has been provided in accordance with this checklist, will enable the City to avoid unnecessary delays occurring in the processing of your application.

An application can be lodged over the counter at the City of Joondalup Administration Building, 90 Boas Avenue, Joondalup, or by mail to City of Joondalup, PO Box 21, Joondalup WA 6919.

The City also has an online application service which can make lodgement easier. For further information visit the City's website at joondalup.wa.gov.au or contact Building Services on **9400 4961**.

Official receipt of applications will not occur until all required information is received. Following lodgement, the applicant (as indicated on the application form) will receive a letter acknowledging receipt of the application. Please note that further information and/or modifications may be requested by the City after a full assessment has been undertaken. All correspondence on the application will be directed to the applicant.
