STUDENT ACTIVITY - YEARS SIX TO SEVEN

## BUSHLAND WEEDS

You will need a copy of the *Being WEEDwise: Garden Escapees in the City of Joondalup* brochure (City of Joondalup, no date).

What is a weed? Think about this for a minute then share your ideas with a partner.

Write down your ideas about weeds here.	

Read the section in the pamphlet "What is a Weed?" Write down 3 points about weeds.

Did you know that ALL plants have a place in the world where they are native, which means they belong somewhere? It is only when they grow where they are not supposed to be that they become a weed.

	Vrite down your i	deas here.
