Welcome to the Winter edition of the City of Joondalup Libraries’ events and programs guide. Winter brings shorter daylight hours and time to rug up in winter woollies. Being comfortable and warm is one thing that Libraries encourage at this time and no one minds if you pop in to visit in your tracksuit and Ugg boots, straight from work in suit and tie, or with the kids being warm and comfy in their pyjamas towards the end of the day.

Nice warm heating, a cup of coffee, and a chair or couch to curl up on. Pop in and browse the shelves, pick up something to read, listen or watch. And if you can’t get to the library, choose from thousands of downloadable eBooks, audiobooks, magazines and films.

Stay warm and happy reading.
