

Proposed Installation of Cricket Practice Nets at Percy Doyle Football Teeball Park, Duncraig

Frequently Asked Questions

What is the purpose of the community engagement?

To seek feedback from local residents, the community and park users about the proposed installation of cricket practice nets at Percy Doyle Park Football Teeball Park, Duncraig.

Why is the City proposing to install cricket practice nets at Percy Doyle Football Teeball Park?

Percy Doyle Football Teeball Park is a regional active park that is currently utilised by a number of local junior and senior sporting clubs during the summer and winter sporting seasons.

The City has received an expression of interest to install cricket practice nets from a local sporting club that currently utilises the park. The City would like to know if the local community is supportive of the proposal.

What works are being proposed as part of the project?

The City is proposing to install four synthetic cricket practice nets with a locked electrical power point. Similar cricket nets have been installed at Hawker Park, Warwick (see photo on reverse) and Seacrest Park, Sorrento.

How will the proposed cricket practice nets be funded?

It is anticipated that the project will be funded in partnership with the State Government and the sporting club who requested the infrastructure, on an equal one-third basis, via the State Government's Community Sporting and Recreation Facilities Fund.

How will the proposed cricket nets be managed?

The proposed cricket practice nets will be managed through park bookings made by sporting clubs, schools, community groups and individuals, in accordance with the City's existing hiring processes. The general community will have access to the nets when not in use by hirers.

Will any trees or vegetation be removed as part of the project?

There is one small tree which would need to be removed for installation of the nets. If this occurs, a replacement tree will be planted on the site in an alternate location.

When will the works take place?

Should the project be approved and should the City be successful in receiving grant funding, the proposed works will be scheduled for mid-2019.

Who is being engaged on this project?

The City is directly engaging the following stakeholders:

- Local residents within a 500-metre radius of Percy Doyle Football Teeball Park;
- Representatives from the Marmion, Sorrento, Duncraig Progress and Ratepayers Association; and
- Representatives from current park user groups.

In addition, all information regarding the proposed installation of cricket practice nets is available online. Anyone interested in the proposal can complete the Comment Form located via the City's website at joondalup.wa.gov.au responses limited to one per person.

When is the engagement period open?

The community engagement period is open between **Monday 21 May 2018 to Monday 18 June 2018**.

What happens next?

The results of the community engagement will be collated and presented to Council seeking endorsement to progress to the next stage of the project – seeking external funding.

The outcomes of this engagement will be available for viewing via the Community Engagement section of the City's website at joondalup.wa.gov.au

Who do I contact for more information on the proposal?

For further information, please contact the City's Leisure Planning team by calling **9400 4090**, or via email at info@joondalup.wa.gov.au
