### CORPORATE BUSINESS PLAN 2017/18–2021/22

#### INTRODUCTION

The Corporate Business Plan is the City of Joondalup's five-year service and project delivery program. It is aligned to the strategic direction and priorities set within the 10-Year Strategic Community Plan 2012–2022 — Joondalup 2022 and reflects actions in the City's forward Capital Works Program and informing strategies.

The purpose of the Plan is to demonstrate the operational capacity of the City to achieve its aspirational outcomes and objectives over the medium-term. All operational planning and reporting is driven by the *Corporate Business Plan* which is reviewed annually to ensure priorities are achievable and effectively timed.

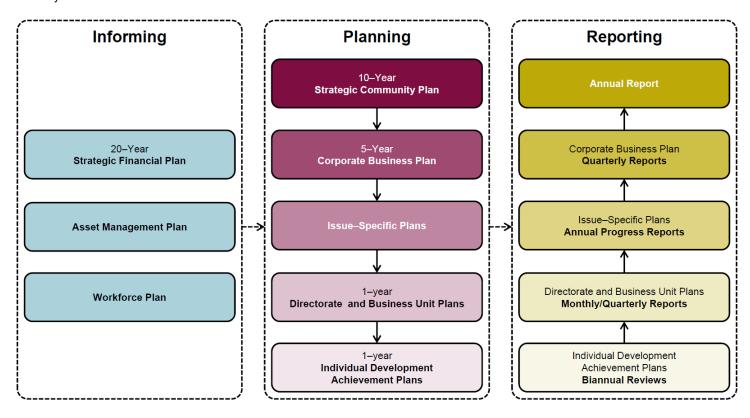

Flexibility is built into the City's corporate business planning model to ensure the organisation is able to adjust to external influences as they arise. The annual review process enables the City to frequently assess its progress and realign actions and tasks against the most currently-available information

Quarterly progress against services and programs is reported through the key themes of:

- Governance and Leadership
- Financial Sustainability
- Quality Urban Environment
- Economic Prosperity, Vibrancy and Growth
- The Natural Environment
- Community Wellbeing

The City promoted participation in the event through advertising in the local newspaper and on the City's website. A total of 39 community groups took part including Friends' Groups, Girl Guides, Scouts, schools and a Rotary Club. The City supported registered Friends' Groups and community groups by picking up the rubbish they had collected. Areas cleaned by the groups included Burns Beach, Mullaloo Beach, Ocean Reef Marina, Hepburn Heights Bushland, Lake Goollelal, Neil Hawkins and Sir James McCusker Park.

City staff also participated in clean up events on 9 March 2018 in Central Park and Lakeside Park in Joondalup, and Duncraig Library bushland.

#### Think Green - Bike Week Event

As part of Bike Week, a "Bike Dr" event was conducted at Burns Beach Park, Burns Beach on 18 March 2018. The event enabled residents to obtain free bike maintenance and bike safety advice. More than 89 bikes were checked on the day. The aim of the event was to promote cycling as a form of transport, provide cycle safety and maintenance tips and community education on sharing the path.

#### **City Retains Gold Waterwise Council Endorsement**

#### **Anchors Youth Centre Holiday Program**

The Anchors Youth Program attracted 179 young people to the 12 activity days and 120 people attended the three drop-in days held over the three week period. The program involved water sports, movie visits, theme parks, rock climbing, arts and gaming workshops. The drop-in session held on 24 January ran alongside the Heathridge Summer Sessions event as an Open Day for young people and their parents and carers to discover what Anchors Youth Centre has on offer to young people in the area on a weekly basis throughout the year.

The highlight of the Anchors Summer Program was the two-hour road trip to Trees Adventure Zip Lining course at Lane Poole National Reserve, where young people aged 13-17 years and workers conquered their fears by voluntarily suspending themselves 10-20 metres above the ground, and navigating a range of obstacle courses and flying foxes for the day.

#### **Summer Sessions**

The Summer Sessions program was delivered during January. Three small scale youth events were held at Juniper Park in Duncraig, Tom Simpson Park, Mullaloo, and Heathridge Park in Heathridge. The aim of the events is to bring summer activities to young people and introduce new contacts to the youth services provided by the City. This year, the events partnered with the Perth Scorchers and Royal Life Saving WA to offer young people a range of activities. Over 250 young people attended the events, along with parents and younger brothers and sisters. These events registered a 95% satisfaction rate.

#### 55 + Groups and Activities Guide

The newly developed guide 55+ Groups and Activities Guide features a wide range of local groups, clubs and activities with easy to navigate maps by ward, to help adults make valuable social connections for health and wellbeing. The guide has received excellent feedback from older adults.

The refurbishment of the existing facility will include extending the gymnasium, crèche and group fitness areas, developing an outdoor fitness training area, relocation of the café, refurbished changerooms and the provision of additional parking.
