JOONDALUP Spring Markets 2018

The City of Joondalup is proud to present the Spring Markets. Over four Friday nights Central Walk will be transformed into a hub of activity providing shoppers with access to handmade and homemade products plus live music, entertainment, all-new workshops and demonstrations each week. Ease into the weekend, meet friends after work or bring the family to support small businesses and enjoy the Spring Markets.

Quality stallholders make the markets a great place to be and draw shoppers each week. If you are a stallholder offering quality products, the City would love to hear from you. The City has introduced a range of new initiatives in 2018 to further support stallholders including:

- Providing all-new workshops and demonstrations, in addition to live music, entertainment and activities for kids. These activations will change from week-to-week to encourage shoppers to attend on an ongoing basis.
- Social media will be used to showcase specific stallholders attending each week. Stallholders are encouraged to provide high-quality images of your stall and products for the opportunity to be featured in online advertising.

Selection Criteria

Preference will be given to stallholders who are able to participate in more than one market. Preference will also be given to applicants whose goods possess the following:

- Space, power and other stallholder requirements
- Support materials provided by the applicant (e.g. product photos, links to websites, etc)

Other factors including the quality of images supplied and the amount of information provided in the application all play a part in helping to assess individual applications.

TERMS AND CONDITIONS OF TRADE

Important Notes

All stallholder applications for the Spring Markets 2018 should be made via the Online Application Form, available from the City's website joondalup.wa.gov.au

If you are unable to access the form, please contact the City on **9400 4926** for assistance.

Completion of the Online Application Form constitutes acceptance of the Terms and Conditions by the applicant.

Submission of an application does not guarantee selection.

The City reserves the right to prohibit trade by any stallholder not complying with the Terms and Conditions and may also bar the stallholder from trading at future City events.

Canvassing of Elected Members will disqualify applicants.

The following Terms and Conditions apply to all stallholders who have received approval from the City to trade at the Joondalup Spring Markets 2018 ("Markets").

1. Health and safety requirements

1.1 Inspection of sites

It is the responsibility of the stallholder to trade in accordance with any applicable Federal, State and Local Government laws and where applicable, comply with the provisions of the *Food Act 2008* and the *Australia New Zealand Food Standards Code*.

City Environmental Health Officers will inspect stalls prior to each market. Stalls not meeting the City's minimum health and safety requirements for trading in public places or for selling food from temporary food premises (where relevant) will not be permitted to trade unless and until the required improvements are made to the satisfaction of the City.

1.2 Structural safety

Stallholders' structures will be required to comply with safety standards and have an assessment of structural sufficiency. Stallholders may be asked

to submit certification by a suitable qualified person (rigger or installer with sufficient experience) for any structure that does not require a building permit.

Any guy ropes or other tie down points shall be located away from public areas.

The City has the right to reject a stallholder's involvement in City events due to their site being unsafe or inappropriate.

1.3 Electrical safety

All electrical equipment must be tested and tagged in accordance with the requirements of Western Power and AS/NZS 3002:2008. Electrical cords should not cross public accessways and must be fully secured. Any loose cords that could cause a trip hazard will be removed.

A qualified electrician will be on-site to inspect electrical installations prior to the commencement of each day of trade and advise the City of any breaches.

1.4 Sale of food

Food vendors are required to conform to minimum safety standards. Further details regarding the sale of food and food safety may be obtained from the City's website at joondalup.wa.gov.au

All stallholders selling food (fresh or pre-packaged) must be registered with the Local Government Authority (LGA) in whose jurisdiction the business is based and must provide evidence of such registration with their application to the event.

Additionally, the City requires a copy of a recent inspection report from the relevant LGA. Where an inspection report has not taken place within six months prior to the event date or the inspection report indicates compliance issues, another inspection may be required before approval to trade is granted. An inspection can be conducted by City Environmental Health Officers at a cost to the food vendor of \$65.00.

It is the responsibility of each stallholder to promptly report any incident to the on-site supervisor outlined in your event briefing pack, including:

- Property damage
- Illness, accident or injury

2.9 Public address systems and hawking

Loud or amplified product promotion by stallholders is not permitted. Public address systems are not to be used without the prior written approval of the City.

3.5 Pack-up

Stallholders must not commence pack-up until the advertised closing time of each event. This is both a safety issue and a trading requirement.

The stallholder consents to the City using any photographs submitted as part of the stallholder's application to promote any City event.

The City may engage a photographer to record activities at the event. The stallholder consents to any photos of the stall or stallholder's merchandise taken by City photographers to be used for promotional or archival purposes.

Although the City is committed to the successful promotion and delivery of all event days, the City does not take any responsibility for the level of sales that a stallholder may achieve.

6. Cancellation by the City

The City reserves the right to cancel the approval of any stall without refund and/or ban the stallholder from participation in future event days if it determines that the stallholder has breached any of the Terms and Conditions, or the stallholder is selling goods other than those specified in its application, without the prior written approval of the City.
