

District Planning Scheme No. 2 (DPS2) vs Local Planning Scheme No. 3 (LPS3)

Land use permissibility changes

The following table details the land use permissibility changes between DPS2 and LPS3.

Some of the more significant land use changes include:

- Residential land uses are no longer permitted in the 'Service Commercial' (previously 'Business') zone.
- 'Holiday Accommodation' and 'Holiday House' are now a discretionary ('D') use in the 'Residential' zone.
- 'Consulting Rooms' are now an 'A' land use in the 'Residential' zone meaning an application must be advertised for public comment prior to determination. The definition of 'Consulting Rooms' now allows a maximum of two practitioners instead of one practitioner.
- 'Shop' is now a discretionary ('D') use in the 'Mixed Use' zone with no restriction on floorspace, and is not permitted in the 'Service Commercial' zone.
- 'Grouped Dwelling' is now a permitted ('P') land use in the 'Residential' zone.
- 'Bulky Goods Showroom' is now a discretionary ('D') use in the 'Commercial' and 'Light Industry' zones.
