

The City of Joondalup has published a book documenting the rich history of our area. Using historical photographs, oral history interviews, maps, newspaper articles and memorabilia from the City's local history collection, *Picture our Past* tells the story of how the hard work and determination of pioneers turned an isolated settlement into the modern Cities of Joondalup and Wanneroo.

Each photograph, quote or historical record captures a moment in time that shaped the history of the area and the lives of the people living there.

Available from City of Joondalup Libraries and Customer Service Centres. At \$42.00 it's an ideal Christmas gift.
