What you CAN place in the yellow lid recycling bin

- Clean rigid plastic
  Food and drink containers – plastic meat trays, plastic plant pots, rigid plastic containers
- Clean paper and cardboard
  Milk and juice cartons, magazines, newspaper, egg cartons, junk mail
- Clean aluminium and steel
  Food and drink cans, metal pots and pans, metal jar lids
- Clean glass
  Food and drink bottles and jars, broken glass

Have you got your 360L recycling bin?

Place beside your recycling bin on collection day:
1 x car battery; and
1 x 5L container of used engine oil (in original container)
Please place where the driver can see them.

What you CANNOT place in the yellow lid recycling bin

- Nappies or dog waste
- Plastic bags or soft plastics
- Garden waste or food waste
- E-waste and batteries
- Medical waste and syringes
- Clothing and textiles
- Ceramics
- Hazardous waste (asbestos, garden and household chemicals, household batteries, paint tins)
- Shredded paper

Recycling tips

1. Keep recyclables loose and not in bags.
2. Flatten your cardboard boxes and squash your plastic bottles and cans.
3. Remove lids from all bottles and place lids in your general waste bin.
4. Rinse your items.
5. Contact the City to upgrade to a 360L recycling bin at no additional charge.

If you are unsure about what can be recycled call 9400 4255 or email info@joondalup.wa.gov.au for advice. Find your collection week on the My Bin Collections page of this guide.

85% of the contents from a yellow lid bin is recycled.
**GENERAL WASTE BIN**

The organic content of this bin gets composted. Emptied weekly.

### What you CAN place in the red lid general waste bin
- Food waste, scraps and leftovers
- Hygiene products
- Nappies and dog waste
- General household waste
- Broken shoes, old rags, toys
- Ceramics
- Foam/styrene packaging

### What you CANNOT place in the red lid general waste bin
- Glass
- Hot or burning ash
- Asbestos
- Batteries
- Bricks, concrete, sand and other building materials
- Green waste
- Household hazardous waste (pesticides, herbicides and chemicals, combustible liquid, paint or other solvents, motor oil)
- Aerosols
- Liquids

**Journey of the red lid general waste bin**

The red lid general waste bin is transported to the composting plant (Resource Recovery Facility).

At the Resource Recovery Facility all organic contents are composted.

The remaining non organic contents of the red lid general waste bin is sent to landfill.

In 2017/18 52% composted.

In 2017/18 48% to landfill.

The ‘No Glass’ campaign is coordinated by Mindarie Regional Council covering 170,000 households across four member councils; City of Joondalup, City of Wanneroo, City of Vincent and Town of Victoria Park.

**NO GLASS** – Whole or broken in the red lid general waste bin. Help make better compost by putting all glass into the yellow lid recycling bin.
GREEN WASTE
There are three different ways to recycle your green waste in the City. Use all three or choose what suits you best.

1. Place smaller loose green waste in the lime green lid green waste bin
   - No bags or boxes.
   - Place only:
     - Grass clippings
     - Leaves/flowers
     - Prunings
     - Weeds, sticks and twigs
   - You CAN put out:
     - Garden prunings
     - Tree loppings (less than 1.5m in length)
     - Palm leaves
     - Tree limbs, branches, small logs (1.5m in length)
   - Note: branches more than 150mm in diameter must be cut into 300mm lengths.

2. Bulk green waste verge collection
   - You CAN put out:
     - Garden prunings
     - Tree loppings (less than 1.5m in length)
     - Palm leaves
     - Tree limbs, branches, small logs (1.5m in length)
   - Note: branches more than 150mm in diameter must be cut into 300mm lengths.

3. Use your vouchers
   - Wangara Greens Recycling Facility
     - 70 Motivation Drive, Wangara
     - Open weekends and public holidays only.
     - All green waste – see voucher for item sizing
     - Turf – with soil removed
   - Residents will have received vouchers in their letterboxes.

Remember:
- All bulk green waste must be placed loose on the verge with no use of boxes, bags or containers.
- All non-green waste items will not be collected and could be classed as littering.
- All green waste will be shredded and mulched therefore, it cannot be contaminated with any other waste.

GREEN WASTE BIN AND BULK GREEN WASTE
On collection days please ensure bins:

- Are out by 6.00am and away by 6.00pm
- Weigh no more than 70kg
- Have the lids closed
- Have the bin handles and wheels facing the house
- Are half a metre in from the kerbside
- Are half a metre apart from each other

Public Holidays bin services

No collection on Christmas Day and New Years Day. Both fall on a Wednesday, if your bin is normally collected on a Wednesday this will change to Thursday, Thursday to Friday and Friday to Saturday. Monday and Tuesday bin collections will remain the same. Collections change for two weeks only.

Public Holidays

- Christmas Day
- New Years Day

Good Friday 2020

Bin collections will be on Easter Saturday (affecting Burns Beach, Joondalup, Kinross, Connolly, Currambine and Iluka residents).

For further information about bin collections visit the City’s website at joondalup.wa.gov.au

GREEN WASTE AND MULCH 2019/20
VOUCHERS

Wangara Greens Recycling Facility
70 Motivation Drive, Wangara WA 6065

Open 8.00am – 4.45pm weekends and public holidays only.
Closed weekdays, Good Friday, Christmas and New Year’s Day

No EFTPOS – Cash and vouchers only

Each of the attached entry vouchers covers one standard entry for a car and trailer or a car with up to 500kg of clean greens. A tonnage fee will be charged for additional clean greens.

Clean greens are: small prunnings, grass clippings, branches up to 1.5m long no other materials will be accepted.

Loads contaminated with sand, rocks and bricks will not be accepted.

FREE MULCH (Recycled shredded green waste)
Mulching your garden lowers evaporation and water requirements, aids water dispersal and can help to reduce weeds.

Health Warning
Garden mulch contains micro-organisms that may be harmful to your health. Always wear gloves and wash your hands afterwards. Keep mulch damp whilst in use and avoid inhaling the mix.

Without vouchers the cost for:
• Tipping is $31.00 per (6x4) trailer load (up to 500kg)
• Mulch is $31.00 per cubic metre (6x4) trailer load.
