Nominating for	Councillor for North-Central Ward

COSTIGAN, Christina

A City of Joondalup resident of 25 years, I have worked in Real Estate, owned, managed retail businesses.

Political-party independent, I am passionate about preservation of our natural environment, climate change and financial sustainability.

I will ensure Bush Forever land and the Marine Park are protected during construction of the Ocean Reef Marina, and the protection of native flora and fauna that call Lake Yellagonga home.

I will call for the expansion of the Leafy City Program and bringing forward construction of new Nature Play Areas in our parks.

I share concerns regarding the over-build of family blocks, especially in cul-de-sac areas, which leads to the loss of character and livability in our suburbs.

The City needs to reign in rate increases and produce a budget that reflects the current economic hardship in the community, as other local governments have done. Vote for the future.
