MURPHY, Brogan

I completed secondary studies at Duncraig SHS, I graduated from ECU with a degree in History and Politics and have continued in the study of Law. I am both a resident and a product of the City of Joondalup. I have grandparents, parents and younger siblings living in Joondalup so I plan to protect the interests of everyone.

Vision: Reinvigorate Joondalup as a bold and creative city, not just a shopping mall. Promote a sustainable economy, supporting small business and examining tourism and job creation opportunities. Ensure planning decisions are made in the best interests of the people and that they are long term solutions. Work with State and Federal governments to meet Joondalup's target of bold, creative and prosperous. Work with the Council, building on successes and learning from their experiences.

Projects: Better planning, freeze or minimise rates, advocate for playspace renewals and city alfrescos, and support bold ideas.
