REAY, Juliette

A long-term local resident, Juliette has held senior roles across the corporate and public sectors – including as director of a successful ASX-listed company. She volunteers for various groups, including tutoring in an adult literacy programme.

Employed in senior finance management, Juliette is experienced in identifying and eliminating wasteful expenditure, which is important in keeping rates under control.

If elected, Juliette will call for a RATES FREEZE, as other metropolitan councils have done, the reinstatement of VERGE COLLECTIONS and a residential zoning policy that protects the character and safety of our suburbs.

Juliette will ensure concerns around the proposed Ocean Reef Marina are fully addressed, including the impact on the Marine Park and the Bush Forever Land, and the effect of high rise developments on ocean views.

Juliette has the expertise to improve processes and ensure Council performs to the high governance standards ratepayers expect.
