YOUNG, Trona

I seek your support to be elected as your local community representative.

I'm proud of my achievements while on council which include Mirror Park Skate Park, the re-development of Tom Simpson Park and progression of the Ocean Reef Marina Project.

However, there is much more to be done.

I believe my strong relationships with the Mayor, Councillors and relevant state and federal politicians are vital in providing strong and effective representation and are key to moving important local projects forward.

I am a long-term local resident and small business owner whose children all attended school in Ocean Reef.

A member of Mullaloo Surf Life Saving Club and Ocean Reef Sea Sports Club, I am a strong advocate for sports and recreational activities. Serving on numerous community groups including Beaumaris Primary School P&C and Joondalup Health Campus, your vote will allow me to continue working for our community.
