MCMANUS, Tony

I have lived, worked and played in the City of Joondalup, for close on 20 years.

And for more than 40 years I have served the community in Apex & Rotary and hosted countless community and fundraising events.

During my time as media talk-back host, I have spoken to many thousands of people, who have provided me with a profound understanding of the many issues, concerns and joys, regarding family, safety and community life, in the City of Joondalup; arguably the greatest suburban area in Perth.

With that in mind, I am thrilled to nominate, to serve you as councilor in the south ward.

I promise to represent you faithfully and diligently, so as to maximize opportunities we all want for ourselves, loved ones, children and grandchildren.

Please email with concerns on which you would want me to represent you.

Happy days,

Tony Mac
