THOMPSON, Suzanne

You're reading this because you care enough about your community to vote. I'm running because I care too and I want our Local Government to be as representative and accountable as possible.

I stand for:

- Focusing on doing the basics of Local Government well again;
- Bringing rate increases under control;
- Fixing the HOA infill development and general planning issues;
- Using ratepayers' money sensibly and in the community's best interests;
- and above all - Listening to and acting upon the wishes of our community.

I've made my home with my husband and two boys in beautiful Duncraig, where I run my own business and volunteer at our local school and Ratepayer's Association (as VP).

I first became involved in Local Government through fighting for better infill development strategies across Joondalup. Knowing my work is making a positive change is inspiring me to represent my community further, as your South Ward Councillor.
