JOHNSON, Paul

My family and I have lived in the City of Joondalup for more than 30 years. I am a devoted husband to my wife of more than 32 years, Sally, and proud father of Ashleigh and Emma. I am passionate about the area, having been a small business owner for more than three decades. I am well aware of the cost pressures facing families, which is why I am campaigning for no rate rise for 2020 and future rises within CPI. I will not support wasteful spending on junkets for the mayor, councillors or staff, nor on infrastructure we don't need. I will speak out against the proliferation of high-rise residential developments in our suburbs, which ruin the amenity and privacy of nearby homes. I will ensure the City focuses on providing the essential services to residents - rates, roads and rubbish.
