LOGAN, John

As a long-time local resident, I understand the importance of community today and into our future.

I enjoy volunteering in the community with fellow residents, particularly helping seniors, students, charities, sports clubs and environment groups.

As a councillor, in the last four years I've ensured key projects, including Greenwood's Penistone Park redevelopment and the installation of Kingsley Park floodlights, have been delivered.

Other achievements include completing the Robertson Cycleway and Shepherds Bush Park's pump and jump (Kingsley), and the start of a heritage precinct at Parin Park (Greenwood).

I'm working towards introducing the Regional Youth Driver Education Program to assist learners and a rollout of defibrillators to key community facilities.

I have the experience and passion to tackle challenges, like State-mandated increases to density, to deliver positive and balance outcomes.

What matters to you matters most to me.

I respectfully seek your support to continue as your councillor.
