## HAFEZ, Said

With continuing increase in the cost of living, **I stand for lower Rates and Charges for Ratepayers and local Businesses**, currently struggling to make ends meet.

I am a **Professionally Qualified Accountant and Fellow of CPA Australia** with considerable Financial Management Experience in the Corporate and Public Sectors.

- **A local Resident of the South West Ward.**
- Strongly lobbied against unsustainable Performing Arts Center.
- Pursuing transparency in community consultation and its outcome.
- Calling for reasonable infill strategies without adverse impact on local amenities.
- Advocating for safer local roads and turning lanes
- Avid cyclist, keen to protect coastal path and natural environment.
- **Aiming to deliver best value for your money, improved services and long term lower Rates.**

**Your vote for me is support for sincerity, integrity and financially prudent decision making.**

**I respectfully ask for your vote as an experienced and effective strong voice to represent your best interests at Council**
