MEAGHER, Tom

I've lived in the City of Joondalup my whole life and proudly call it "home".

A goal of central importance to me is to make suitable and affordable housing available to women and children exiting domestic violence, freeing up refuge space for those needing crisis accommodation.

Additionally, I will work to see extortionary parking fines reduced. Fines should be a deterrent, but they should be fair and not seen as an easy option to build bankrolls for whatever project is flavour of the day.

These can be possible if we cut wasteful spending on extravagances like the money spent on Councillor meals and clothing allowances.

I'm seeking your support as someone who's not afraid to put Joondalup first. To stick up for the quiet battlers and hardworking Australians that make up the City of Joondalup, as well as those desperately downtrodden citizens that need a leg-up.
