Nominating for	Councillor for Central Ward
Election Type	Ordinary

ROWLANDS, Peter

I am standing for Council to give residents a chance to vote for a person who lives in our ward. I have been a resident of Beldon and worked in the northern suburbs for the past 32 years.

I would like to see better facilities in our parks to encourage children to be more active.

I have an interested in reducing Rates over time. I would like to see more cooperation with other cities to streamline service delivery to ratepayers. We could save millions of dollars in executive salaries by doing so.

We can also save ratepayers' money by going solar for power and when storage becomes cost effective, go 100% renewable. I will not vote for Rates increase greater than CPI.

We need to change. Please give me a go. Thank you.
