SUMMER READING CHALLENGE

2019/20

Read, Read, Read

During the Summer months of December and January, the City of Joondalup Libraries will run a Summer Reading Challenge.

- If you are in Kindergarten to Year three, aim to read 10 hours over the Summer months, on your own or with your family.
- If you are in Year four to Year six, aim to read 15 hours over the Summer months.

Remember that 10 minutes a day equals more than one hour of reading each week.

What to Read

You can read anything you enjoy and that makes you want to read more. Kick start your reading adventures by:

- Discovering the treasures of your library by reading something different. See the back page for a list of reading ideas;
- Asking library staff for recommended reading lists designed specifically for boys and girls. The lists are also available on the City's website.

Rewards

Record the minutes you read on the opposite page and come into the library for a reward each time you read for five hours.

When you have completed the challenge return your reading log to any City of Joondalup Library to be in the draw to win one of five \$25.00 book vouchers. Prizes will be awarded at the City's Summer Reading Challenge closing event with special guest author/illustrator James Foley.

Remember to return your reading log by **Wednesday 29 January 2020**.
