

GIVE YOUR BUSINESS

THE EDGE

Global Ready Program

Energise your business

Put your aspirations forward and elevate your business to success within a targeted global market.

Businesses based in the City of Joondalup are invited to sign up to this focussed and targeted Global Ready Program, designed for businesses looking to establish within international markets.

This eight-week program will provide you with early entry information in relation to choosing the right global markets, cultural differences, international and digital marketing and a lot more.

Working directly with our locally based industry specialist, Dearin & Associates who will deliver a series of tailored one-on-one sessions to participating businesses.

The Facilitators

Cynthia Dearin is an international business strategist and lawyer.

With more than 21 years of international experience, she helps clients to create and implement international strategies in fast-growing markets around the world.

An Australian-qualified legal practitioner, Cynthia has worked in the UK, US, Europe and Middle East, as an Australian diplomat and as a management consultant. She also spent three years as the CEO of the Australia Arab Chamber of Commerce & Industry.

Cynthia is proficient in Arabic and French, both of which she uses professionally. She is also the author of Amazon best-seller *Camels, Sheikhs and Billionaires: Your Guide to Business Culture in the Middle East and North Africa*.

Maher Hejleh is an International Business Advisor and has been with Dearin & Associates for over 4 years.

Born and raised in Perth, Western Australia and having lived in the Middle East for seven years, he is experienced in dealing with people of different cultures and backgrounds. He has a passion for designing marketing strategies that reflect these differences when helping businesses expand into the international market.

Maher has a Bachelor of Commerce, majoring in Marketing from Edith Cowan University in Western Australia and has taken part in a number of Business Mastermind Groups to further develop his ability to assist businesses as they move into new international markets. He speaks English and Arabic.
