CLUB FINANCIAL ASSESSMENT PROGRAM

Due to the COVID-19 pandemic, many clubs have had to restrict activities or stop operating completely.

As a result, many clubs are uncertain about their financial position and how to plan for the future in these challenging times.

The City has developed the **Emerge Stronger – Club Financial Assessment Program** to help clubs manage their finances now, model different future scenarios, and be in a strong financial position to recommence operations when the time comes.

All clubs operating within the City of Joondalup are invited to participate in the program, starting with a webinar session where clubs will be provided with the tools to conduct a financial assessment of their club:

Date: Thursday 4 June and Thursday 11 June 2020

Time: 6.30pm – 7.30pm

Following the webinar, ten clubs will be offered an opportunity for a one-on-one session to further analyse their finances with the facilitator and plan for possible future operating scenarios. These sessions will take place in June 2020.

To register for the webinar, or to submit your interest to be part of the one-on-one sessions, please email club.development@joondalup.wa.gov.au or call 9400 4252.

Registered participants will be sent an email link to the webinar the day before.
