

COVID-19 (Coronavirus)

Sanitising information for users

In accordance with the COVID-19 Terms and Conditions of Hire, please utilise the available sanitising products with the checklist provided in your booking information pack.

Products must be utilised in accordance with the instructions below.

Note: do not spray electrical equipment.

INSTRUCTIONS

- 1 Spray sanitising product onto the paper towel to achieve a high level of moisture to cover the surface to be sanitised.
- 2 Wipe down all contact/touch points applicable to your facility use and leave product on surface.
- 3 Dispose of towel in bin provided.
- 4 Please return sanitising product to kitchen.

If anything is missing from the sanitisation kit or needs refilling please contact the City on **9400 4895** or **1300 655 860** (After Hours).
