

D.I.Y. Craft Instructions

Colour, Cut and Make a Carnaby's Black Cockatoo

Colour the Carnaby's Black Cockatoo Printable or draw your own Carnaby's Cockatoo pieces (body, wings, legs and comb).

Colour the pieces of the Carnaby's Black Cockatoo using your own observations of the birds outside, along with information about the Carnaby's Black Cockatoo here.

<https://birdlife.org.au/bird-profile/carnabys-black-cockatoo>

We have three types of Black Cockatoo locally. The Carnaby's Black Cockatoo, Baudin's Black Cockatoo and the Forest Red-tailed Black Cockatoo. The link below will take you to a web page with audio of the calls that the three Black Cockatoo types make. Knowing what their call sounds like may help you to find them outside.

<https://birdlife.org.au/projects/southwest-black-cockatoo-recovery/identify-your-black-cockatoo>

Cut out your pieces of the Carnaby's Black Cockatoo that have been coloured and stick them together with glue, tape or split pins (brad pins) if you have them.

The completed Carnaby's Black Cockatoo D.I.Y. craft below in is a **female**. What changes would you need to make if you wanted to make a **male** of the species?
