Did you know?

City of Joondalup Libraries have free WiFi and internet access, study areas, homework help resources, print, scan and copy facilities and spaces to relax.

Students are also welcome to meet tutors in the libraries.

Need help using resources?

For help using digital resources or for assistance with a particular subject area or question, contact the Reference Library on **9400 4740**. One-on-one and small group sessions are available to help you identify and use the resources that best meet your needs.

Print resources

Newspapers

Copies of *The West Australian* and *The Sunday Times* are available online and hard copies of *The West Australian* are available at each library. The Reference Library subscribes to a range of national and international newspapers.

Reference Collection

The Reference collection (at the Joondalup library) is continually updated. It supports people looking for reliable and authoritative information and is relevant to all areas of the secondary curriculum.

ATAR Revision Resources

The Joondalup Reference Library has a collection of current ATAR curriculum revision resources which can assist students to revise the curriculum and prepare for examinations.

All print resources are available for use in the Reference Library during opening hours. For more information on these resources call **9400 4740**, and don't forget that all the City's libraries have great non-fiction collections.

Are you studying at high school or post-secondary level or undertaking research for personal reasons?

City of Joondalup Libraries have a wide range of FREE resources which are easily accessible to library members.

Online resources include Australian and international databases, an encyclopaedia and language-learning tools, plus links to top quality free resources on the internet.

 Britannica[®] Library

This online encyclopaedia delivers instant results to all your questions in three levels of reading ability: kids, teens and adults. After choosing a level, you can explore features such as articles, an atlas and timelines as well as magazine articles, images, videos, and links to other websites.

ProQuest – Research Library

This database provides one-stop access to more than 4,000 periodicals from one of the broadest, most inclusive general reference databases ProQuest has to offer. Search from a highly-respected, diversified mix of scholarly journals, trade publications and magazines covering over 150 academic disciplines.

To search Proquest Research Library click on the link under All Online Resources.

ProQuest – Subject Databases

The Libraries also subscribe to a range of subject specific ProQuest databases. Subject areas include:

- Literature
- Arts, Film and Music
- Social Sciences (including Education, Psychology, Political Science and Religion)
- Health and Medicine (including Nursing, Allied Health, Public and Family Health and Psychology)
- Business.

Access Proquest Central databases through ProQuest Research Library, or select a subject database from All Online Resources.
