

Celebrating Joondalup 2021

School Art Competition – Term Two

The City invites local primary and high school students to enter a design which will represent the City of Joondalup in the annual, state-wide #shoWcAse IN PIXELS competition.

Prizes will be awarded to the winning artist, their school and the runners-up.

This is an opportunity for students to meet some of the requirements of the Arts Curriculum while learning about local government.

The competition offers the chance to exhibit to the school, the local community and wider community, if the design is selected to be on display in Yagan Square.

Individual students, partners or groups can contribute to the designs.

Details:

Schools are encouraged to exhibit the designs at school and to select six entries to submit to the City for judging. A maximum of six entries will be accepted from each school. These will be placed on display at City of Joondalup Libraries for community exposure.

The designs should be completed in portrait orientation on paper which is approximately A2 size. Designs made to scale will transfer more successfully to the digital display. The artwork can be in any medium.

The winning design, chosen by the City, will be photographed and sent to Western Australian Local Government Association for display at the iconic digital tower at the heart of Yagan Square, Perth leading up to and during Local Government Week. The banner will be on display with up to 100 other WA local government artworks.

Completed artworks should be delivered to the School Liaison Officer at the City's Library in Joondalup by **Friday 21 May 2021**. Due to strict timetabling the submission deadline cannot be extended. Important dates are listed below.
