Welcome

Welcome to Winter, the perfect time get your reading mojo back. Life is busy, we are living in changing times and finding time to calm the mind can be tricky. Try these simple tips:

- Start small – set aside 10 minutes a day
- Think about the genre or topic that would interest you the most
- If out and about – go into a bookshop and just be in the moment
- Set up a comfortable spot at home that is warm and has good light
- Purposely put electronic devices and mobile phones away when you read
- Have a book in the car, great for appointments – just in case.

Books come in all shapes, styles and sizes and reading can include comics, magazines, newspapers and books. If you haven't been into the library for a while, come in and browse, pick up a Book Bundle or just be in the space. See you soon and happy reading.
