Thank you for taking time to read my profile. I'm running because, like you, I care about our community & want Local Government to be representative & accountable.

As a business owner & longstanding, independent advocate for our wonderful community I have what it takes to make a difference.

My work, life experiences, volunteering & time spent standing up for our community has given me the skills I need to represent you.

I will:

Listen to you & act in your best interests;

Expect transparency & accountability;

Improve community engagement with a ratepayer first approach;

Focus on VALUE from our RATES;

Advocate for sustainable development of our suburbs.

As your **independent & respectful voice**, I look forward to representing you & **working together** for our community.
