VINCIULLO, Phillip

I'm passionate about our City, as a resident for 30 years, and as a husband & father to two young children.

My career as a lecturer and broadcaster puts me in a unique position to advocate for ratepayers. I understand the need to **listen** and the importance of **effective** communication.

As your independent councillor, I will listen and broadcast **YOUR VOICE** for transparency and accountability:

to challenge over spending & rate increases;

for **responsible** planning & development;

to address increasing local **crime by introducing a City lead 24 hour security service;**

for nature & tree preservation;

for health & wellness initiatives;

to **invigorate** hospitality, arts & culture in our City.

With your support we can create new opportunities, promote local business and build a **stronger & safer community.**
