POLIWKA, Russell

Having been your Councillor & Deputy Mayor, I know we can do better. It's time Council respected the wishes of the community. Spiralling salary costs & extravagant vanity projects must end.

I am a strong, rational voice, independent of religious cults, party politics or ambitions of higher office.

We can have a thriving City with emphasis on business, improved security, arts & sporting facilities, environmental protection & community gardens, planning policies that work and more. All whilst keeping rates under control.

Having succeeded in public & private sectors, I bring real world experience. Together we can grow our inclusive, inspiring community, led by a Mayor and Council that answers to you.

It would be my privilege to be your Mayor. Thank you for your participation: please vote.
