## O'BYRNE, Mary

Why vote for Mary O'Byrne? I'm already working for you! Percy Doyle Reserve & Community Sporting Facilities SAVED. Duncraig Library, Bushland & Community Garden SAVED. The threat of a supermarket on community open space REMOVED. I'm a hands-on community campaigner (former Midwife and TAFE lecturer) who'll work with you for better community outcomes. I've been a fierce campaigner across Joondalup for HOA areas, road safety (securing a crossing in Kinross) & small businesses (spearheading a 5246 petition against a Coles in Currambine that threatens our local shops). I'm against variable rates for business. pro- investment in the Arts, phasing-out glyphosate and bringing rates under control. I'm an independent, experienced participant at Council, representing the community's views.
