CHESTER, John

I am seeking to represent you for a further term, with hard work, integrity and independent decision-making. I am committed to our community where I have lived for 40 years and will ensure that you continue to receive high quality, cost effective services, with improved community centres, club rooms, sporting ovals, parks and play equipment, paths and cycleways. I want even higher levels of financial accountability of the City's operations, better planning outcomes in housing infill areas and increased environmental protection of our mature trees, bushland, lakes and reduced use of chemical herbicides. As your strong voice on Council I pledge to actively represent all Greenwood and Kingsley residents, sporting clubs, community groups, seniors and youth. Thank you for your support.
