EDWARDES, Colin

The South-West Ward contains one of the best locations to live in the City of Joondalup and my responsibility will be to make sure that continues.

Living in Sorrento with Cheryl we have two children and four grandchildren. I understand the importance of community facilities for families to create memories.

I have a lifetime of experience serving in local government and senior federal and state government roles. This includes serving on the Administrative Appeals Tribunal listening to people not satisfied with Ministerial and departmental decisions impacting their lives and serving as a member of the PMH Foundation Board, providing equipment for sick children.

I will represent your interests and bring fresh ideas, integrity, and leadership to the City of Joondalup.
