## CITIES RELEASE HOMELESSNESS PLAN

Minister for Housing; Lands; Homelessness and Local Government, John Carey, Wanneroo Deputy Mayor Brett Treby and Joondalup Mayor Albert Jacob with copies of the Regional Homelessness Plan.

The Cities of Joondalup and Wanneroo launched their 2022/23-2025/26 *Regional Homelessness Plan* during Homelessness Week 2022 (1 – 7 August)

Of the 370,000 people within the boundaries of Joondalup and Wanneroo, recent statistics show that more than 1,800 are experiencing some level of homelessness.

The Plan is a framework to guide the Cities response to homelessness, including milestones for action.

Homelessness is a growing area of concern in the northern metropolitan area and one that goes beyond the public perception of sleeping rough. It includes those who are sleeping in cramped living conditions, temporary accommodation or “couch surfing.”

It is estimated that for every one rough sleeper, there are eight others who are inadequately housed.

With the pressure on rental accommodation and increased cost of living, that number could rise.

The two Cities worked closely with the Joondalup Wanneroo Ending Homelessness Group (JWEHG) to review the previous iteration of the Plan.

Both Cities will oversee the implementation, review, evaluation and reporting of the Plan in their respective Local Government areas.

The launch of the new homelessness plan coincided with the launch of Shelter WA's Local Government Homelessness Knowledge Hub; a place for local governments to share information and to inform evidence-based homelessness solutions that respond to local community needs.

The *2022/23-2025/26 Regional Homelessness Plan* can be viewed at [joondalup.wa.gov.au](http://joondalup.wa.gov.au)

## Did you know?

The City has installed Containers for Change exchange points across the City to reduce the amount of waste going to landfill and to help committed recyclers raise money. So far, exchange points have been installed at Neil Hawkins Park, Joondalup; Tom Simpson Park, Mullaloo; Hillarys Beach Park; Burns Beach Park; Iluka foreshore; Sorrento foreshore and Mawson Park, Hillarys. It is hoped that members of the community will recycle their containers at these sites instead of disposing them in a bin destined for landfill. Collectors can then take the container from the basket and gain the 10c refund.

The containers for change baskets are located in and around the City's parks.

## Mayor's Column

### Hon. Albert Jacob

### Hello and welcome to the third edition of City News for 2022.

All roads lead to Joondalup in September, October and beyond as our City cements its reputation as the sporting capital of Perth's northern corridor.

Finals fever is in the air and we wish West Perth Football Club – our highest profile sports team – the best of luck as they look to add a fifth WAFL premiership to their tally since moving to Joondalup in 1994.

The Falcons have had a stellar season and should results go their way, they could play off for the premiership at their spiritual home of Leederville Oval, the host venue of the 2022 WAFL Grand Final.

Our Joondalup Wolves NBL 1 men's and women's team both made the playoffs and as City News was going to print, the Perth Wildcats were preparing to host the Adelaide 36ers in a pre-season NBL blockbuster at HBF Arena.

Fans of the "world game" are also in for a treat in the coming weeks.

Perth Glory, WA's highest profile soccer team, will play four A-League home games at Pentanet Stadium while their home ground, HBF Park, gets ready to host 2023 FIFA Women's World Cup matches.

Those matches are against Central Coast, 23 October; Brisbane, 13 November; Western United, 10 December and Wellington, 23 December.

Also, at Pentanet Stadium, some of the country's most talented young lacrosse players will be in action at the 2022 Lacrosse Australia Under 15 Tournament.

The City is supporting this week-long tournament where the focus is on player development as much as it is on the on-field results.

Motoring fans of all ages are revved up for the Joondalup Festival of Motoring, which will bring motorsport action and displays to the Joondalup City Centre over three exciting days in October.

This includes the inaugural Joondalup Sprint over a 2.5km racetrack through our City streets.

Hosting big events promotes and strengthens Joondalup's reputation and image as an attractive and vibrant Destination City and the positive flow-on affects for local businesses are immense, as visiting players, coaches, officials and supporters spend their time and money in our City.

If sport is not your thing, there is still plenty more to see and do during spring.

The arts will take centre stage for two weeks in October when the Invitation Art Prize returns to Westfield Whiford City. This year's exhibition offers a glimpse into what's happening right now in WA's visual arts scene.

Also, in October, the region's most popular festival for children 12 and under, The Little Feet Festival, will be held at ECU Joondalup Pines.

After a wet winter, spring is also an ideal time to go for a walk or a cycle along our coastline or to visit biodiversity-rich natural areas such as Yellagonga – the King's Park of the North. Enjoy this special time of year.

**Hon. Albert Jacob**  
City of Joondalup

# WHAT'S GOING ON IN YOUR NEIGHBOURHOOD

Before

After

## Pinnaroo Point car park

**STATUS: Complete**

The City increased the number of parking bays by reconfiguring the carpark layout. The project also included drainage and lighting upgrades, landscaping, asphalt resurfacing and improvements to the existing paths to enhance pedestrian connectivity.

## Percy Doyle, Duncraig

**STATUS: Ongoing**

Work has commenced on the redevelopment of the clubrooms at Sorrento Football Club, which will include the construction of additional changerooms, an umpires' room, physiotherapist rooms and extension to the club's undercover area. The \$1 million project, fully funded by the State Government and managed by the City, will support increased female participation in sporting activities. Construction is expected to be completed by February 2023.

## Craigie Leisure Centre

**STATUS: Ongoing**

Stage two of the \$8.7 million Craigie Leisure Centre refurbishment project is progressing, with works currently underway at the front of the facility.

Stage two construction includes:

- > Extension of the gym from approximately 500sqm to 1,200sqm, including dedicated workout areas and new equipment
- > New and expanded gym changeroom and toilet area
- > Construction of a new and expanded wellness studio, from approximately 210sqm to 225sqm
- > Main entry access road upgrades, pedestrian crossing upgrades and the addition of kiss and drive car bays.

Craigie Leisure Centre remains fully operational and works are scheduled to be completed in early 2023.

Visit [joondalup-leisure.com.au](http://joondalup-leisure.com.au) or follow Craigie Leisure Centre on Facebook/Instagram to stay up to date as the refurbishment progresses.

## Sir James McCusker Park, Iluka

**STATUS: Ongoing**

A Place of Reflection will be installed near Serena Way, including a bench, lighting, signage and connecting infrastructure. Work is expected to be completed by November 2022. This project is fully funded by the Iluka residents through the Iluka Specified Area Rate.

# NEW MOBILE CCTV UNITS ROLLED OUT

The City of Joondalup has deployed three mobile CCTV units across its suburbs to target hooning and other anti-social activity.

The cameras are currently located at Hepburn Avenue (to the east of the Greenwood train station), Whitfords Avenue (near the roundabout at the intersection of Whitfords Avenue and Tenerife Boulevard), and Mullaloo Drive (between Dampier Avenue and Oceanside Promenade) and are moved periodically, based on demand.

The City received \$150,000 in funding from the State Government to purchase the cameras, with the project driven by local MLAs Emily Hamilton (Joondalup) and Caitlin Collins (Hillarys), with the support of WA Police.

Joondalup Mayor Albert Jacob said the City welcomed the support of the State Government in the effort to stop anti-social behaviour.

“This mobile CCTV infrastructure will be of great assistance to WA Police and other agencies with their investigative activities,” he said.

“The City operates CCTV systems at various locations in the Joondalup City Centre and across our suburbs, which helps us to

deal with issues such as graffiti, abandoned vehicles, bulk litter and hazards in public space.”

The City will work closely with the WA Police in determining the areas in which the mobile CCTV infrastructure will be most useful.

## JAMIE MAKES HIS MARK ON CITY

A Craigie boy’s dream of working in construction recently came true, courtesy of the City and local contractors Luxworks Pty Ltd.

As part of the City’s Capital Works program, Luxworks was contracted to upgrade the road and kerbing at the intersection of Electra Street/Fantome Road in Craigie.

Jamie, 13, who has a rare brain disorder and autism among other conditions, has long been fascinated with all things related to construction and machinery.

That’s why it was so exciting for him to get the opportunity to oversee an infrastructure project in his own neighbourhood.

The Luxworks on-ground team was so taken by Jamie’s daily visits, requests for updates and genuine interest in their work, they made him part of the team.

Jamie received a personalised Luxworks/City of Joondalup hi-vis jumper and a gift pack as thanks for all his hard work.

Mum Michelle thanked all involved for making her son feel like a “construction rock star.”

“I can’t tell you how much all of your interactions with Jamie meant to him, but also his

carers, me (his mum) and his grandparents,” she said.

“You made him feel like a celebrity and I applaud all your interactions with him – given you still had to keep to timeframes. You always went out of your way to let him come and see what was going on and to get hands-on.”

Well done to Luxworks and Jamie. A job well done!

Snr Sgt Mark Stoneman from Hillarys Police, Caitlin Collins, Emily Hamilton and Mayor Jacob at the Kallaroo camera site.

Senior Civil Projects Officer Peter Ross, Jamie and Dave Cullen from Luxworks.

# JOONDALUP FESTIVAL OF MOTORING NEARS START LINE

Mayor Jacob and Event Director Justin Hunt.

Residents of Joondalup, start your engines. The inaugural Joondalup Festival of Motoring (JFOM) is just over a month away.

Programming is now locked in and it promises to be a weekend the likes of which our City Centre has never seen before.

More than 1,000 vehicles will be on display over the weekend both on and off the track.

Car enthusiasts will be in heaven, but there is plenty of other activities on offer for the whole family to enjoy, including art, photography, music, movies, cuisine, competitions and local business activations.

## Night One – Friday 28 October

Get in the mood for JFOM at Grand Cinema Joondalup, which will be screening high-octane favourites like *Days of Thunder*, *Ford versus Ferrari* and the original *Italian Job*. Powerplay will host an electric go-cart corporate challenge.

## Day Two – Saturday 29 October

If you fancy yourself as the next Daniel Ricciardo, there will be a morning Autokhana session for beginners. This is a low-speed introduction to motorsport. Regular participants will be in action in the afternoon.

Over at the Boas Avenue car park, Coffee and Cars will showcase 500 vehicles. Coffee gets swapped for cocktails at Central Park for Cocktails and Cars where there will be plenty of cuisine and beverage options on offer as festival-goers get the chance to view some high-end and rare vehicles.

## Day Three – Sunday 30 October

Roads around the Joondalup City Centre will close to form a 2.5km racetrack for the Joondalup Sprint.

At the Automotive Worlds precinct, attendees will be taken on a journey to see motoring marvels produced across the globe, right in the heart of Joondalup – no passport necessary.

Cars and Cocktails continues at Central Park until 4.30pm.

**Road Closures.** There will be road closures in place for **Sunday 30 October**. Residents impacted can expect a hard copy information pack containing further information about the closures delivered to their letterboxes. A digital copy will also be available via the [jfom.com.au](http://jfom.com.au) website.

Keep up to date with the latest event information online at [jfom.com.au](http://jfom.com.au) or follow the JFOM on Facebook and Instagram.

## OCEAN REEF MARINA UPDATE

It's an exciting time for the Ocean Reef Marina development, as the biggest infrastructure project ever undertaken in our City continues to take shape at a fast pace.

The old breakwaters have been removed and construction of the northern breakwater is complete. The breakwater extends 670m in length at a height of about 7.5m (above sea level.)

The southern breakwater has also reached its final length, with work continuing to bring it up to its final height of about 8m. This is expected to be completed in mid-2023.

Ocean Reef Marina

Clearing work is now underway to enable earthworks to prepare for future development, including the construction of the new Ocean Reef Sea Sports Club and Marine Rescue Whitfords facilities in 2023.

To ensure the marina provides appropriate depths for boats, dredging is also being conducted.

DevelopmentWA is working to strict environmental standards. All works have been assessed and approved by planning and environmental authorities.

Development WA is also working closely with specialists to protect and potentially relocate any fauna encountered during this next phase of works and will continue to work closely with representatives of the traditional owners, the Whadjuk Noongar people, to ensure any potential areas of interest identified during clearing are investigated and managed appropriately.

Work will be carried out by local businesses WA Limestone and Italia Stone Group who were also responsible for construction of the breakwaters. Completion of this next phase of the project is expected by mid-2023.

For further information on the breakwater works or to speak to a member of the project team, please call **1800 943 121** or email [oceanreefmarina@developmentwa.com.au](mailto:oceanreefmarina@developmentwa.com.au)

## MORE GOLD FOR CITY

The City's 2020/21 Annual Report was awarded Gold in the Australasian Reporting Awards. This is the fourth consecutive year the City has received a Gold award.

Annual reports are a legislative requirement of the *Western Australian Local Government Act 1995* and an essential tool to inform the community and stakeholders about programs and services, achievements and performance.

ARA Awards are open to organisations in Australia, New Zealand and countries in the Asia-Pacific region and reports are benchmarked against world best practice. The City's 2020/21 Annual Report can be viewed at [joondalup.wa.gov.au](http://joondalup.wa.gov.au)

## OSCAR GIVEN NEW LIFE TO COMMEMORATE QUEEN'S JUBILEE

Six months after the City lost one of its most iconic trees, a special tree planting event was held at Chichester Park, Woodvale, to commemorate the Queen's Platinum Jubilee.

The commemorative tree was planted in memory of "Oscar", one of the City's most significant trees, which was removed in March 2022 due to declining structural integrity posed by a three-meter crack in its base.

Oscar brought great pleasure to generations of school students at nearby North Woodvale Primary School and the wider community.

The City of Joondalup received funding from the Australian Government through the Planting Trees for the Queen's Jubilee program.

The tree planting honours the Queen and her 70 years of service to Australia and the Commonwealth.

As part of the Planting Trees for the Queen's Jubilee program, the City will also select one park in each of its 22 suburbs to receive three trees.

Ian Goodenough, Mayor Albert Jacob, Deputy Mayor Christine Hamilton-Prime and Cr Christopher May with North Woodvale students.

# Get going to the 2022 Little Feet Festival

Mark **Sunday 23 October** down in your diary and buckle up for the City of Joondalup's 2022 Little Feet Festival.

Perth's most popular festival for children 12 and under returns to the grounds of Edith Cowan University and it again promises to deliver a spectacular day of FREE, family-friendly fun.

The 2022 Little Feet Festival theme is 'Things That Go' and the program is inspired by all things transport.

Don't miss your chance to ride the Little Feet Express, check out the RAC rescue helicopter and keep an eye out for the Lolly Pop Ladies. There will be plenty of arts and crafts on offer, including make-and-take activities that allow children to express their creativity and take their creations home.

*Parties Kids Remember, Happy Feet Fitness and Zap Circus* will perform educational live shows throughout the day, with some sessions AUSLAN interpreted.

No one will miss out on the fun, no matter what the age. The festival even caters for the very young (Toddler Zone) and the young at heart (5-minute massages for parents).

As always, children can collect an activity passport on arrival to begin their journey, marking off destinations as they go.

The 2022 Little Feet Festival is supported by Major Partner St Stephen's School.

Visit [joondalup.wa.gov.au](http://joondalup.wa.gov.au) for more information.
