

# Lego Club

I am going to the Library for Lego Club.

There will be exciting Lego activities that I can do and new people that I might meet.

This is the Duncraig Library.

This is the Whitford Library.

This is the Joondalup Library.

This is the Woodvale Library.

There will be lots of Lego, adults who work there, and other children and parents.

We will make mazes, build vehicles, or we can make our own creations.

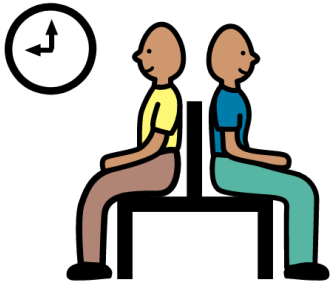

A Library staff member will show me a picture of what we are doing.

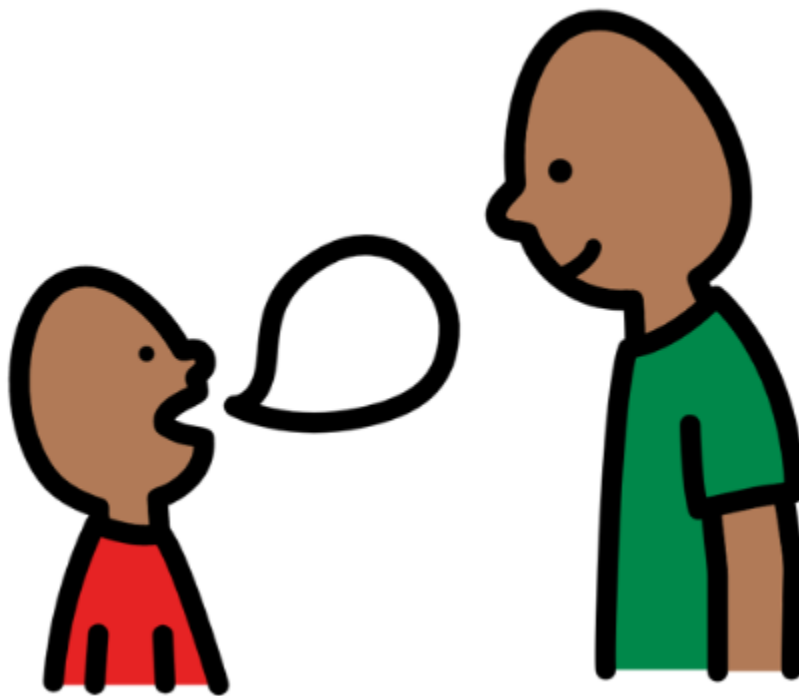

When the adult is showing us what to do, I can try to sit down and listen.

There will be other children so I might need to wait and share the Lego with others.

If I get upset or need help, I can ask an adult for help.

It might get noisy in the Library. If I need a break, I can go to a quiet space.

Going to Lego Club at the Library can be fun!
