

Story Time at the Library

In the morning I will go to the Library for Story Time.

There will be lots of exciting things to see and do at Story Time!

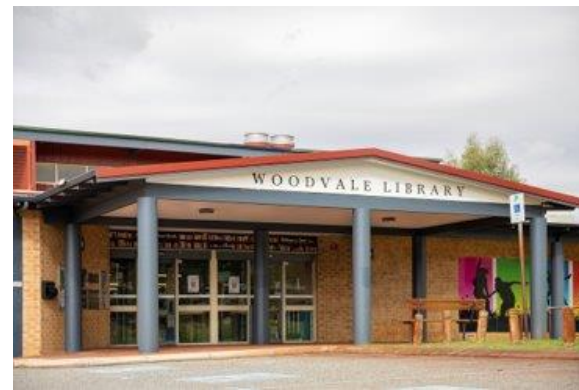

This is the Duncraig Library.

This is the Whitford Library.

This is the Joondalup Library.

This is the Woodvale Library.

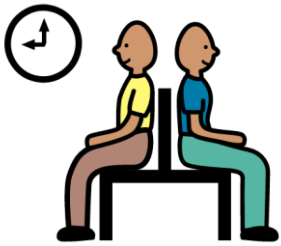

At the library there are books, computers, adults who work there, and other people.

I can read books, sing and dance, do craft, and play games.

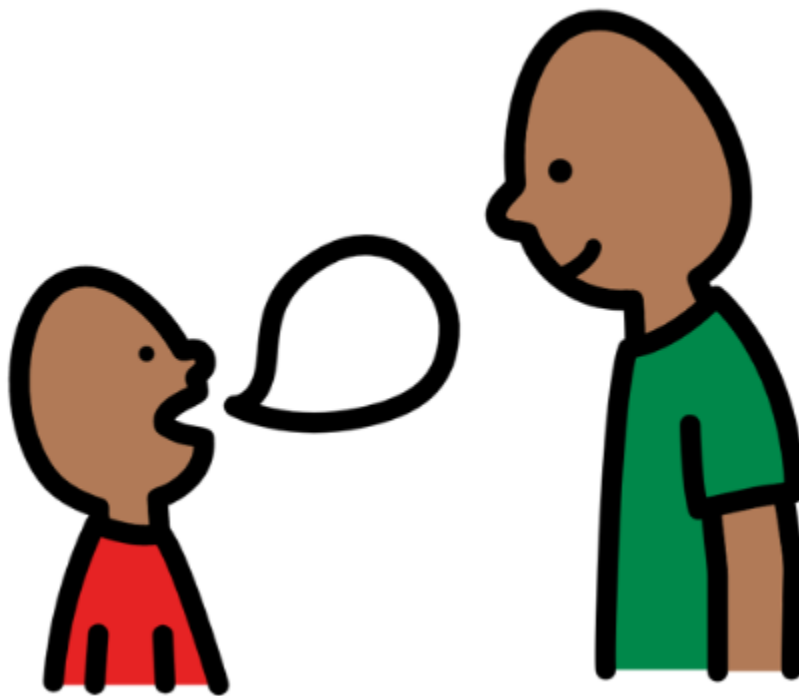

When the adult is reading the book, I can try to sit down and listen.

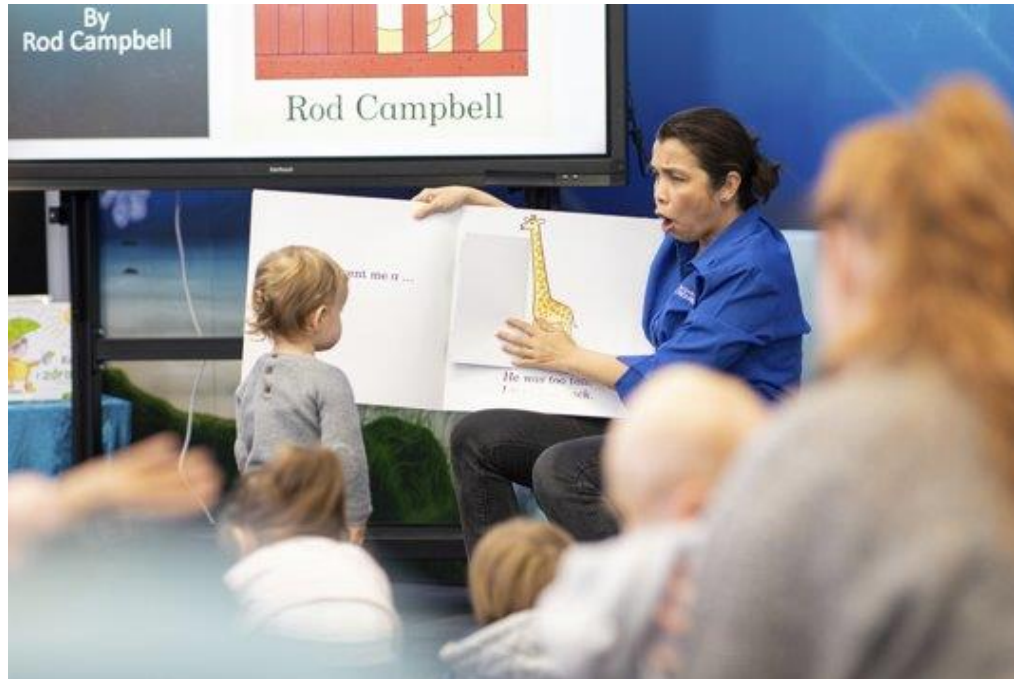

There will be other children so I might need to wait, share, and take turns in games.

It might get noisy so if I need a break I can go to a quiet room.

If I need help, I can ask an adult.

Going to Story Time at the Library can be fun!
