

Celebrating Joondalup School Art Competition 2023

Celebrating Joondalup Art Competition 2022 winner –
Monaye Foster from Prendville Catholic College

The City invites local primary and high school students to enter an art competition to create a design which will represent the City of Joondalup in the annual, state-wide #showCase IN PIXELS competition.

The 1 July 2023 sees celebrations for the City of Joondalup's 25th Anniversary commence. Students and schools are encouraged to use this as inspiration for their artwork designs.

Judging will take place in late June with the winning artist and runners up being invited to a Civic function to receive their award.

This is an opportunity for students to meet some of the requirements of the Arts Curriculum while learning about Local Government.

The competition offers the chance to exhibit to the whole school, the local and wider community and if the design is selected, will be on display in Yagan Square and also on selected City assets such as waste trucks and city banners throughout the City's 25th Anniversary year.

Individual students, partners or groups can contribute to the designs.

Details:

Schools are encouraged to exhibit their designs at school and select suitable entries for submission to the City for judging. A **maximum of six entries** will be accepted from each school.

The designs are required to be in **portrait** orientation on paper which is approximately **A2** size.

Designs made to scale will transfer more successfully to the digital display. The artwork can be in any medium.

The winning design, as chosen by the City, will be photographed and sent to WALGA for display at the iconic digital tower at the heart of Yagan Square, Perth alongside 100 other WA local government artworks.

Completed competition artworks should be delivered to the School Liaison Officer at Joondalup Library no later than **Friday 2 June 2023**. Due to strict timetabling the submission deadline cannot be extended.
