## INTRODUCTION

### Register of Delegation of Authority

The Delegations of Authority contained within are made to Committees pursuant to Section 5.16 and to the Chief Executive Officer pursuant to Section 5.42 of the *Local Government Act 1995* (the Act) and, where listed, some of these functions are delegated by the Chief Executive Officer to City of Joondalup employees pursuant to Section 5.44 of the Act. All delegations made by the Council must be by an **absolute majority** decision.

Section 5.43 of the Act provides that the following are decisions that cannot be delegated to the Chief Executive Officer:

- Any power or duty that requires a decision of an absolute majority of the Council.
- Accepting a tender which exceeds an amount determined by the local government for the purpose of this paragraph.
- Appointing an auditor.
- Acquiring or disposing of any property valued at an amount exceeding an amount determined by the local government for the purpose of this paragraph.
- Any of the local government's powers under sections 5.98, 5.98A, 5.99 and 5.100 of the Act.
- Borrowing money on behalf of the local government.
- Hearing or determining an objection of a kind referred to in Section 9.5.
- The power under Section 9.49A (4) to authorise a person to sign documents on behalf of the local government.
- Any power or duty that requires the approval of the Minister or Governor.
- Such other duties or powers that may be prescribed by the Act.

The Act allows for the Chief Executive Officer to delegate any of their powers to another employee, this must be done in writing. The Act allows for the Chief Executive Officer to place conditions on any delegations if required.

A register of delegations, being this manual, relevant to the Chief Executive Officer and other employees is to be kept and reviewed at least once every financial year.

If a person is exercising a power or duty that they have been delegated, the Act requires them to keep necessary records to the exercise of the power or discharge of the duty. The written record is to contain:

- how the person exercised the power or discharged the duty;
- when the person exercised the power or discharged the duty; and
- the persons or classes of persons, other than council or committee members or employees of the local government, directly affected by the exercise of the power or the discharge of the duty.

In addition to delegations made in accordance with the *Local Government Act 1995*, a number of delegations are also made to the Chief Executive Officer, or directly to other officers in some instances, in accordance with the provisions of other legislation.

The aim of the delegated authority register is to assist with improving the time taken to make decisions within the constraints allowed by the relevant legislation. This is consistent with the City's commitment to a strong customer service focus.

Each instrument of delegation describes the function being delegated and the relevant statutory reference which is the source of power for the exercise of the function. Also included is a reference to related documents such as policies of the Council which may provide guidance in the exercise of the delegation.

This delegated authority register will be reviewed in accordance with the Act on an annual basis.
