JENKINS, Michelle is eligible to stand for election as a resident of the City of Joondalup.

I have lived in the City of Joondalup since arriving in Australia in 1997. I am passionate about the community, our environment, wildlife, social issues, ageing and disability and about having communities where we can all live safely with the community support we need to enjoy daily life.

For the past 12 years I have worked in the City of Joondalup, Kingsley and Woodvale, supporting our local community and services through my former role as the CEO of Community Vision. I also work as a local JP, undertaking library signings and providing support for those needing help with certified documents and other bits of paperwork that need an appropriate witness. I own and operate a small business, so I understand their unique needs.

As our councillor, I will work to ensure that people have a safe place in which to live and work and to looking after our community resources, lakes and woodlands and our local community centres so we can all enjoy living in the City of Joondalup.
